Editorial Review

Review

"...what shines most in this memoir is the sincerity with which Knight delivers these sometimes appalling, always eye-opening glimpses into an industry that many of us will probably never get a firsthand look into."
—*The Rumpus*

"Make no mistake, this memoir is unlike any memoir you'll ever read—pornographic or otherwise."
—*Litreactor's Bookshots*

"Tyler is a fantastic writer who holds his pen with the same confidence that a samurai holds his sword."
—*Xtube*

"Tyler Knight sets the new standard for pornographic biographies, serving more of a sophisticated and informative work of genius than a mere collection of rumors and scandals..."
—*Consciousness Magazine*

Review

"Tyler has one of the craziest life stories I've ever heard—and to top it off, he can really write. It's a rare thing for someone to both have something to say, and be able to say it well, but Tyler does."

—**Tucker Max**, #1 *New York Times* Bestselling author of *I Hope They Serve Beer in Hell* and *Time* magazine candidate for World's Most Influential People, 2009

"A great, but disturbing read!"
—**Joe Rogan**, UFC commentator, Host of NBC's *Fear Factor*, and *The Rogan Experience Podcast*

"*Burn My Shadow* is poignant, gritty, and blunt."
—**Stoya**, Former Digital Playground contract star, multiple AVN winner, and resident sex columnist for *The Verge*

"Tyler has never fit the typical mold of 'porno guy.' He's great looking but he isn't a meathead. His sensitivity, curiosity and introspectiveness are what make him so appealing."
—**Oriana Small**, author of *Girlvert: A Porno Memoir*

"*Burn My Shadow* is at once bleak, heartfelt, and funny. Tyler Knight's inside look at the adult film industry has made me not wanna be a porn star."
—**Jude Angelini**, Author of *Hyena* and co-host of Sirius Satellite Radio's, *The All Out Show*

"Tyler Knight's scalding and eye-opening memoir, *Burn My Shadow*, may well do for the sex industry what Upton Sinclair's *The Jungle* did for meat-packing—with the difference that the author, a porn actor who writes like a cross between Ralph Ellison and Celine, actually packed his own meat. At once a full-frontal meditation on 21st Century American celebrity and an up-close, blow-by-blow of life as the ultimate first person shooter, *Burn My Shadow*'s real shock is not its Triple X-centric content, but the deep heart, wild-ass humor and fearless humanity of the writing itself. The perfect anecdote to literary memoir fatigue, *Burn My*

Shadow is a truly unique, genre-defying, un-put-downable triumph."

—**Jerry Stahl**, author of *Permanent Midnight* and *Old Guy Dad*
