Heart of a Killer: A Thriller By David Rosenfelt

Jamie Wagner is a young lawyer who is happy to be flying under the radar at a large firm. It's not that he isn't smart. He is. It's just that hard work, not to mention the whole legal thing, isn't exactly his passion. Underachiever? A little. Content? Right up until the firm puts him on a case that turns his whole world upside down.

Sheryl Harrison has served four years of a thirty-year murder sentence for killing her husband, who she claims was abusive. The case is settled---there shouldn't be anything for Jamie to do---except Sheryl's fourteen-year-old daughter, Karen, is sick. She has a congenital heart defect and will die without a transplant. Her blood type is rare, making their chances of finding a matching donor remote at best. Sheryl wants to be that donor for her daughter, and Jamie is in way over his head. Suicide, no matter the motive, is illegal. So with Sheryl on suicide watch, Jamie's only shot at helping her and saving Karen is to reopen the murder case, prove Sheryl's innocence, and get her freed so that she can pursue her plan on her own.

Heart of a Killer---a gripping story of an ordinary man faced with an impossible situation---is the most powerful and shocking thriller yet from David Rosenfelt, a true master of the genre.

Editorial Review

From [Booklist](#)

Here's what seems to be a winning combination: a popular and accomplished novelist, a likable hero, and two themes of overwhelming importance. The result? Readers will likely turn the last page and wonder what went wrong. The main plot involves assisted suicide. A woman jailed for murder wants to be killed and have her heart given to her dying daughter. Officialdom resists, so the case must go to court. Next, computers. They control everything, so someone controlling them can crash an airplane, burn a car, and melt down a nuclear-power plant. All these things—and more—happen here. The plots converge midbook, when Jamie Wagner, the lawyer hired by the prisoner who wants to die, finds himself battling a crazed computer maven. The wisecracking Wagner would be fine in a different novel, but here—in a book dealing with such portentous matters—he's the wrong man. When things grow ominous, he jokes about his hatred of work and lack of ambition, scuttling the tone and keeping the reader distant from the plot. A good character and a gripping story, but they simply don't mix. Stick with Rosenfelt, though; he can write, despite this misstep. --Don Crinklaw

Review

Praise for David Rosenfelt

“David Rosenfelt’s series, featuring wisecracking Paterson attorney Andy Carpenter, is two parts John Grisham and one part Dave Barry. . . . More murders and plot twists advance the story to an exciting conclusion involving homeland security, making this the best, most complex legal thriller in the series.”

---*The Star-Ledger* on *One Dog Night*

“A blessed anomaly in crime fiction . . . Andy is like a gulp of cold water on a steamy day. . . . Rosenfelt peels back the layers of puzzlement ever so skillfully, tantalizing us throughout until, finally, both Andy and the reader are enlightened simultaneously. A gem.”

---*Booklist* (starred review) on *One Dog Night*

“An absolutely irresistible hook . . . No one who picks up this greased-lightning account will rest till it’s finished.”

---*Kirkus Reviews* (starred review) on *On Borrowed Time*

“Dynamite thriller . . . Rosenfelt’s sly humor, breathless pacing, and terrific plot twists keep the pages spinning toward the showdown on New Year’s Eve in Times Square.”

---*Publishers Weekly* (starred review) on *Down to the Wire*

“[Rosenfelt] has pulled together a cynical political thriller that rings true in this age of terrorism, media hype, and Washington scandals.”

---*Minneapolis Star Tribune* on *Don’t Tell a Soul*

“This fast-paced and brightly written tale spins along. . . . *Don’t Tell a Soul* is a humdinger.”

---*St. Louis Post-Dispatch* on *Don’t Tell a Soul*

From the Back Cover

A CAREER CASE

Jamie Wagner is a young lawyer who is happy to be flying under the radar at a large firm. It's not that he isn't smart. He is. It's just that hard work, not to mention the whole legal thing, isn't exactly his passion. But then he's put on a case that turns his whole world upside down.

A FAMILY TORN

Sheryl Harrison is serving a thirty-year murder sentence for killing her husband, who she claims was abusive. The case is settled?there shouldn't be anything for Jamie to do?except now Sheryl's fourteen-year-old daughter, Karen, is sick. She has a congenital heart defect and will die without a transplant. Sheryl is a matching donor?and is willing to die to save her daughter. But suicide, no matter the motive, is illegal. Now Jamie is in way over his head.

A TRIAL BY FIRE

With Sheryl on suicide watch, Jamie's only shot at saving Karen is to reopen the murder case, prove Sheryl's innocence, and get her freed so that she can pursue her own plan. And time is running out...

"Rosenfelt has earned his crime-novelist pedigree."?*Entertainment Weekly*

This kind of book was inspired many men and women in the world. When you read this publication you will enter the new shape that you ever know previous to. The author explained their concept in the simple way, therefore all of people can easily to comprehend the core of this guide. This book will give you a wide range of information about this world now. So that you can see the represented of the world in this book.

Kristopher Lewis:

As a student exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some book, they are complained. Just little students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that looking at is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Heart of a Killer: A Thriller can make you really feel more interested to read.
