Heavenly Bodies: Cult Treasures and Spectacular Saints from the Catacombs By Paul Koudounaris

An intriguing visual history of the veneration in European churches and monasteries of bejeweled and decorated skeletons

Death has never looked so beautiful. The fully articulated skeleton of a female saint, dressed in an intricate costume of silk brocade and gold lace, withered fingers glittering with colorful rubies, emeralds, and pearls?this is only one of the specially photographed relics featured in *Heavenly Bodies*.

In 1578 news came of the discovery in Rome of a labyrinth of underground tombs, which were thought to hold the remains of thousands of early Christian martyrs. Skeletons of these supposed saints were subsequently sent to Catholic churches and religious houses in German-speaking Europe to replace holy relics that had been destroyed in the wake of the Protestant Reformation. The skeletons, known as “the catacomb saints,” were carefully reassembled, richly dressed in fantastic costumes, wigs, crowns, jewels, and armor, and posed in elaborate displays inside churches and shrines as reminders to the faithful of the heavenly treasures that awaited them after death.

Paul Koudounaris gained unprecedented access to religious institutions to reveal these fascinating historical artifacts. Hidden for over a century as Western attitudes toward both the worship of holy relics and death itself changed, some of these ornamented skeletons appear in publication here for the first time. 105 illustrations, 90 in color

Editorial Review

Review

“These macabre images elicit a range of contemporary references, from *Goonies* to bling-laden rappers to artist Damien Hirst’s diamond-encrusted skull.” (Wired.com)

“Perhaps this book is not the originator of the phrase ‘skeletons in your closet,’ but if it were, that closet would be looking quite stupendous.” (Dazed Digital)

“An art historian nicknamed ‘Indiana Bones’ has unearthed a haunting collection of jewel-encrusted skeletons which were hidden in churches in Europe up to 400 years ago.” (New York Post)

“Photographer and author Paul Koudounaris gained unprecedented access to these so-called ‘catacomb saints’ for his new book *Heavenly Bodies*. Many had never been photographed for publication before. Revered as spiritual objects and then reviled as a source of embarrassment for the Church, their uneven history is marked by one constant: a mysterious, if unsettling, beauty.” (CNN.com)

“A compelling read. . . . The gorgeous photos that accompany the text only reaffirm the opulence of such relics.” (Gothic Beauty)

“Smart and accessible, *Heavenly Bodies* opens the door to this largely overlooked aspect of the Counter Reformation era.” (Hi-Fructose)

“Prepared to be amazed by the splendor and beauty of ornamented skeletal remains.” (Palm Springs Life)

“Koudounaris takes his subject beyond historical rubbernecking and looks at how bodies can move the spirit?and why we can’t let go and can’t look away.” (The North Coast Journal)

“Brings to life a group of long-forgotten Catholic relics.” (Lapham's Quarterly)

“Investigates the historic attempts to prescribe posthumous identities to skeletons, specifically those believed to be martyrs.” (Vice.com)

“Oh, you didn’t know the skeletons of martyrs were unabashedly decked out in gems? Welcome to the club.” (BuzzFeed)

“Focuses on the life and history of a set of false relics in the Catholic Church.” (The Desert Sun)

“The images of the catacomb saints are dazzling, almost beyond belief.” (Publishers Weekly)

“This macabre mash-up of camp and Catholicism features nearly 100 drop-dead images of blinged-out skeletons.” (Passport Magazine)

“A strange and fascinating book exploring bejeweled Counter Reformation Catholic Skeletons.” (American Society of Jewelry Historians)

“Magnificently illustrated. . . . An illuminating read for jewelry historians and gemologists alike.” (Gems and Gemology)

“The photography by Koudounaris is outstanding. He was given access that most tourists touting a camera are not.” (Examiner.com)

“Koudounaris is one of the first people to photograph the strangely stunning skeletons that have been rediscovered over the years. And while he can't speak to their authenticity as saints, he does believe that they are extraordinary works of art that deserve to be seen.” (People.com)

“In telling the story of these extraordinary relics, Koudounaris makes a case for them as neglected masterpieces of religious art. . . . Koudounaris uncovers a lost world of religious devotion, in which sanctified remains could control the weather, save souls from purgatory, and serve as all-purpose patrons.” (Los Angeles Review of Books)

About the Author

Paul Koudounaris received his doctorate from the art history department at UCLA. His previous books include *The Empire of Death* and *Heavenly Bodies*. He lives in Los Angeles.

Users Review

From reader reviews:

Edna Kopec:

Nowadays reading books be a little more than want or need but also work as a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge your information inside the book that improve your knowledge and information. The information you get based on what kind of guide you read, if you want attract knowledge just go with education and learning books but if you want sense happy read one together with theme for entertaining including comic or novel. The actual *Heavenly Bodies: Cult Treasures and Spectacular Saints from the Catacombs* is kind of guide which is giving the reader unstable experience.

Kathryn Robinson:

Do you one of the book lovers? If so, do you ever feeling doubt when you find yourself in the book store? Try to pick one book that you find out the inside because don't ascertain book by its deal with may doesn't work this is difficult job because you are scared that the inside maybe not while fantastic as in the outside search likes. Maybe you answer may be *Heavenly Bodies: Cult Treasures and Spectacular Saints from the Catacombs* why because the great cover that make you consider with regards to the content will not disappoint anyone. The inside or content is fantastic as the outside as well as cover. Your reading 6th sense will directly assist you to pick up this book.

Bruce Jackson:

In this era globalization it is important to someone to find information. The information will make a professional understand the condition of the world. The healthiness of the world makes the information

simpler to share. You can find a lot of references to get information example: internet, newspapers, book, and soon. You can see that now, a lot of publisher this print many kinds of book. Often the book that recommended to you is Heavenly Bodies: Cult Treasures and Spectacular Saints from the Catacombs this reserve consist a lot of the information in the condition of this world now. That book was represented just how can the world has grown up. The language styles that writer value to explain it is easy to understand. Often the writer made some investigation when he makes this book. Here is why this book ideal all of you.

Edwin Ashford:

Is it an individual who having spare time then spend it whole day by watching television programs or just lying down on the bed? Do you need something new? This Heavenly Bodies: Cult Treasures and Spectacular Saints from the Catacombs can be the reply, oh how comes? The new book you know. You are and so out of date, spending your spare time by reading in this completely new era is common not a nerd activity. So what these publications have than the others?
