Kerry and the Royal Munster Fusiliers By Alan Drumm

Ballymullen Barracks in Tralee was the regimental depot of the Royal Munster Fusiliers prior to the establishment of the Irish Free State. It was through the barracks gates that Kerrymen enlisted for a career in the Munsters. *Kerry and the Royal Munster Fusiliers* examines the reasons why Kerrymen enlisted during the Great War, and how these citizens-turned-soldiers endured the World War they found themselves participating in. By using local sources, this book documents the rapidly changing political situation in Kerry, how support for the conflict diminished after 1916, and how this change affected the returning soldiers.
