**Losing Gabriel: A Love Story** By Lurlene McDaniel

**“Sorry, John Green fans, but McDaniel’s been making us cry . . . for *decades*,” says *Bustle.com*. Now, in her latest novel, as three high school seniors are in the midst of planning their futures, they must face present-day circumstances that force them to grasp what it means to truly become an adult.**

*Lani Kennedy* has dreamed of becoming a nurse since her cousin Arie died of leukemia. Nothing will stop her from getting into the local nursing program.

*Dawson Berke* hasn’t dealt with his mom’s death, and he’s angry at his dad for forcing them to move right before his senior year.

*Sloan Quentin* knows that her band is her ticket to fame and fortune. When she discovers that her boyfriend—the band’s lead guitarist—is cheating on her, she finds comfort—and revenge—in someone else’s arms.

As the lives of Lani, Dawson, and Sloan become entangled in unexpected ways, reality hits harder than anyone could have imagined, and life-altering decisions are faced.

“For fans of romance tinged with tragedy . . . this latest offering will resonate.”

## Editorial Review

From School Library Journal

Gr 9 Up—Pleasure reading for fans of romance twinged with tragedy. The lives of three middle Tennessee young adults are intertwined in McDaniel's latest love story. Sloan Quentin dreams of musical stardom as the way to escape her trailer-park upbringing. But when she runs from a cheating boyfriend into the arms of the new guy, her path takes an unexpected turn. Dawson Berke is fuming. His dad moves them from Baltimore to Windemere, TN, for his senior year. For his dad, it's the only way they can begin again after his mom's death, but Dawson is counting down the days until he can leave his new home for good. Alana "Lani" Kennedy has been working toward her dream of becoming a nurse since her cousin Arie died years earlier. When her life becomes entangled with Dawson's and Sloan's, her dedication to nursing will be rocked to the core. The bulk of the novel focuses on the characters as young 20-somethings. These three young adults are forced to grapple with making their own choices and accepting responsibility for those decisions. Filled with emotional highs and lows, this latest offering will resonate with fans of McDaniel's other works. **VERDICT** This title follows the usual formula of weepy love story with a character's chronic illness as a plot device. Purchase where the author's titles fly off the shelves.—Elaine Baran Black, Georgia Public Library Service, Atlanta

## About the Author

LURLENE McDANIEL began writing inspirational novels about teenagers facing life-altering situations when her son was diagnosed with juvenile diabetes. "I want kids to know that while people don't get to choose what life gives to them, they do get to choose how they respond," she has said. Her novels are hard-hitting and realistic, but also leave readers with inspiration and hope. Her bestselling books have received acclaim from readers, teachers, parents, and reviewers; they include *The Year of Luminous Love* and its companion, *The Year of Chasing Dreams*; *Don't Die, My Love*; *Till Death Do Us Part*; *Telling Christina Goodbye*; *True Love: Three Novels*; and many more.
