### Neverwhere: Author's Preferred Text By Neil Gaiman

National Bestseller

Selected as one of NPR'S Top 100 Science Fiction and Fantasy Books of All Time

The #1 New York Times bestselling author's ultimate edition of his wildly successful first novel featuring his "preferred text"—and including his special *Neverwhere* tale, "How the Marquis Got His Coat Back"

Published in 1997, *Neverwhere* heralded the arrival of a major talent and became a touchstone of urban fantasy. Over the years, a number of versions were produced both in the U.S. and the U.K. Now Gaiman's preferred edition of his classic novel reconciles these works and reinstates a number of scenes cut from the original published books.

Richard Mayhew is a young London businessman with a good heart whose life is changed forever when he stops to help a bleeding girl—an act of kindness that plunges him into a world he never dreamed existed. Slipping through the cracks of reality, Richard lands in Neverwhere—a London of shadows and darkness, monsters and saints, murderers and angels that exists entirely in a subterranean labyrinth. Neverwhere is home to Door, the mysterious girl Richard helped in the London Above. Here in Neverwhere, Door is a powerful noblewoman who has vowed to find the evil agent of her family's slaughter and thwart the destruction of this strange underworld kingdom. If Richard is ever to return to his former life and home, he must join Lady Door's quest to save her world—and may well die trying.

Neil Gaiman is the #1 *New York Times* bestselling author of more than twenty books, and is the recipient of numerous literary honors. Originally from England, he now lives in America.

## **Editorial Review**

### **Amazon.com Review**

*Neverwhere's* protagonist, Richard Mayhew, learns the hard way that no good deed goes unpunished. He ceases to exist in the ordinary world of London Above, and joins a quest through the dark and dangerous London Below, a shadow city of lost and forgotten people, places, and times. His companions are Door, who is trying to find out who hired the assassins who murdered her family and why; the Marquis of Carabas, a trickster who trades services for very big favors; and Hunter, a mysterious lady who guards bodies and hunts only the biggest game. London Below is a wonderfully realized shadow world, and the story plunges through it like an express passing local stations, with plenty of action and a satisfying conclusion. The story is reminiscent of Douglas Adams's *The Hitchhiker's Guide to the Galaxy*, but Neil Gaiman's humor is much darker and his images sometimes truly horrific. Puns and allusions to everything from *Paradise Lost* to *The Wonderful Wizard of Oz* abound, but you can enjoy the book without getting all of them. Gaiman is definitely not just for graphic-novel fans anymore. --Nona Vero

### **From Publishers Weekly**

Starred Review. Gaiman assumes the role of narrator for his latest book, offering an intimate reading that steals one's attention almost immediately and keeps the listener involved throughout. As the story is based in the United Kingdom, Gaiman is a quintessential raconteur for the tale, with his charming Scottish brogue instilling life and spirit into the central character of Richard Mayhew. Pitch perfect, with clear pronunciation, Gaiman invites listeners into his living room for a fireside chat, offering a private and personal experience that transcends the limitations of traditional narration. The author knows his story through and through, capturing the desired emotion and audience reaction in each and every scene. His characters are unique, with diverse personalities and narrative approaches, and Gaiman offers a variety of dialects and tones. The reading sounds more like a private conversation among friends with Gaiman providing the convincing and likable performance the writing deserves. *A Harper Perennial paperback (Reviews, May 19, 1997). ### **From Library Journal**

In his first full-length novel, Gaiman, the comic-book mastermind, brings his talents to the black-and-white world of books, eschewing the darkly elegant illustrations that are a trademark of his comics. However, this journey to yet another fantastical realm is full of haunting images just the same. The story revolves around Richard Mayhew, a bumbling young businessman, who is about to discover a new side of London after helping a wounded girl named Door. He is trapped in an alternate dimension, known as London Below, or the Underground. Once he steps into it, he finds that his normal life no longer exists. The only chance of getting his old life back is to accompany Door on a dangerous mission across the Underground. Like adults stumbling through the pages of a bizarre children's story, Gaiman's likable protagonists fight off the sinister villains of this nebulous underworld. Shards of the concrete world continually pierce the surreal surroundings, as Gaiman weaves a link between the two dimensions of London. Gaiman's gift for mixing the absurd with the frightful give this novel the feeling of a bedtime story with adult sophistication. Readers will find themselves as unable to escape this tale as the characters themselves. Highly recommended. ?Erin Cassin, formerly with "Library Journal"

## **Users Review**

### **From reader reviews:**

**Jose Suh:**

Book is written, printed, or descriptive for everything. You can know everything you want by a guide. Book has a different type. We all know that that book is important matter to bring us around the world. Beside that you can your reading proficiency was fluently. A book *Neverwhere: Author's Preferred Text* will make you to always be smarter. You can feel a lot more confidence if you can know about every thing. But some of you think in which open or reading a new book make you bored. It is not necessarily make you fun. Why they could be thought like that? Have you seeking best book or ideal book with you?

**Mindy Munson:**

The reason why? Because this *Neverwhere: Author's Preferred Text* is an unordinary book that the inside of the guide waiting for you to snap this but latter it will shock you with the secret the item inside. Reading this book next to it was fantastic author who all write the book in such awesome way makes the content inside easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you because of not hesitating having this any more or you going to regret it. This excellent book will give you a lot of advantages than the other book get such as help improving your expertise and your critical thinking technique. So , still want to hesitate having that book? If I ended up you I will go to the e-book store hurriedly.

**Tim Andrus:**

As we know that book is important thing to add our know-how for everything. By a publication we can know everything we would like. A book is a pair of written, printed, illustrated or perhaps blank sheet. Every year ended up being exactly added. This e-book *Neverwhere: Author's Preferred Text* was filled with regards to science. Spend your extra time to add your knowledge about your scientific research competence. Some people has different feel when they reading some sort of book. If you know how big benefit from a book, you can feel enjoy to read a book. In the modern era like at this point, many ways to get book that you wanted.

**Wanda Pence:**

As a university student exactly feel bored to reading. If their teacher expected them to go to the library as well as to make summary for some publication, they are complained. Just tiny students that has reading's spirit or real their pastime. They just do what the professor want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this *Neverwhere: Author's Preferred Text* can make you experience more interested to read.
