**The Pirate Pig** By Cornelia Funke

**The beloved and bestselling author of *Inkheart* brings imagination, adventure, and humor to a swashbuckling full-color chapter book!**

Who needs a treasure map when you have a pirate pig with a nose for gold? Stout Sam and his deckhand, Pip, find a pig washed up in a barrel on the beach. They want to keep her as a pet, but they soon realize Julie is no ordinary pig. She can sniff out treasure! What happens if Barracuda Bill, the greediest and meanest pirate who ever sailed the seas, hears about Julie's special talent?

Cornelia Funke's charming and fun chapter books are available to an American audience for the very first time.

*From the Hardcover edition.*

### Editorial Review

From School Library Journal

Gr 1–3—Two sailors find a pig washed ashore in a barrel, and much to their surprise, she can sniff out sunken treasure in the sea. Everything seems wonderful, with the sailors taking just enough treasure to meet their needs. When word starts spreading about this talented pig, however, the sailors discover she was trained by pirates—pirates who will do their best to get their pig back after hearing rumors about the wealth she's uncovered. Funke has written a simple, fun story with plenty of humor and adventure. The translation is smart, with great vocabulary throughout. Although this is essentially a beginning chapter book, there are no chapter breaks, which may prove daunting for newly independent readers. VERDICT The Pirate Pig deserves a spot on early chapter book shelves alongside her porcine cousin, Mercy Watson to the Rescue (Candlewick, 2005).—Amy Koester, Learning Experiences Department, Skokie PL

About the Author

*From the Hardcover edition.*

### Users Review

**From reader reviews:**

**Ruth Ward:**

Book is to be different per grade. Book for children until eventually adult are different content. As you may know that book is very important for people. The book The Pirate Pig had been making you to know about other understanding and of course you can take more information. It is very advantages for you. The reserve The Pirate Pig is not only giving you a lot more new information but also being your friend when you sense bored. You can spend your own spend time to read your guide. Try to make relationship with the book The Pirate Pig. You never truly feel lose out for everything when you read some books.

**Cierra Persaud:**

Hey guys, do you would like to finds a new book to read? May be the book with the headline The Pirate Pig suitable to you? Often the book was written by well-known writer in this era. The book untitled The Pirate Pig is the main one of several books in which everyone read now. This particular book was inspired many men and women in the world. When you read this reserve you will enter the new age that you ever know previous to. The author explained their concept in the simple way, consequently all of people can easily to recognise the core of this guide. This book will give you a large amount of information about this world now. So that you can see the represented of the world in this particular book.

**Anthony Davidson:**

Exactly why? Because this The Pirate Pig is an unordinary book that the inside of the guide waiting for you to snap this but latter it will surprise you with the secret it inside. Reading this book alongside it was fantastic author who all write the book in such amazing way makes the content interior easier to understand, entertaining way but still convey the meaning completely. So , it is good for you for not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of rewards than the other book get such as help improving your ability and your critical thinking way. So , still want to postpone having that book? If I have been you I will go to the book store hurriedly.

**Clark Abeyta:**

As a pupil exactly feel bored for you to reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just minor students that has reading's heart and soul or real their hobby. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that examining is not important, boring in addition to can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this The Pirate Pig can make you truly feel more interested to read.
