**The Princess Bride: S. Morgenstern's Classic Tale of True Love and High Adventure** By William Goldman

**William Goldman's modern fantasy classic is a simple, exceptional story about quests—for riches, revenge, power, and, of course, true love—that's thrilling and timeless.**

Anyone who lived through the 1980s may find it impossible—inconceivable, even—to equate *The Princess Bride* with anything other than the sweet, celluloid romance of Westley and Buttercup, but the film is only a fraction of the ingenious storytelling you'll find in these pages. Rich in character and satire, the novel is set in 1941 and framed cleverly as an “abridged” retelling of a centuries-old tale set in the fabled country of Florin that's home to “Beasts of all natures and descriptions. Pain. Death. Brave men. Coward men. Strongest men. Chases. Escapes. Lies. Truths. Passions.”

### Editorial Review

#### Amazon.com Review

*The Princess Bride* is a true fantasy classic. William Goldman describes it as a "good parts version" of "S. Morgenstern's Classic Tale of True Love and High Adventure." Morgenstern's original was filled with details of Florinese history, court etiquette, and Mrs. Morgenstern's mostly complimentary views of the text. Much admired by academics, the "Classic Tale" nonetheless obscured what Mr. Goldman feels is a story that has everything: "Fencing. Fighting. Torture. Poison. True love. Hate. Revenge. Giants. Hunters. Bad men. Good men. Beautifullest ladies. Snakes. Spiders. Beasts of all natures and descriptions. Pain. Death. Brave men. Coward men. Strongest men. Chases. Escapes. Lies. Truths. Passion. Miracles."

Goldman frames the fairy tale with an "autobiographical" story: his father, who came from Florin, abridged the book as he read it to his son. Now, Goldman is publishing an abridged version, interspersed with comments on the parts he cut out.

Is *The Princess Bride* a critique of classics like *Ivanhoe* and *The Three Musketeers*, that smother a ripping yarn under elaborate prose? A wry look at the differences between fairy tales and real life? Simply a funny, frenetic adventure? No matter how you read it, you'll put it on your "keeper" shelf. --*Nona Vero*

#### Review

#### PRAISE FOR *THE PRINCESS BRIDE*

"[Goldman's] swashbuckling fable is nutball funny . . . A 'classic' medieval melodrama that sounds like all the Saturday serials you ever saw feverishly reworked by the Marx Brothers." --*Newsweek*

"One of the funniest, most original, and deeply moving novels I have read in a long time." --*Los Angeles Times*

#### From the Publisher

Believe it or not, my future husband used this book to win my hand. I think giving it to me as a gift was his way of proving that he is a hopeless romantic, since the book is so wonderfully hopelessly romantic. So far, he's lived up to it! If you've only seen the movie, but love it, then you should definitely read the book. Also look for the 25th Anniversary (yes, it's really been that long) edition this Christmas--it includes the first chapter of the forthcoming sequel, Buttercup's Baby.
