An Inquiry into the Good By Kitaro Nishida

An Inquiry into the Good represented the foundation of Nishida's philosophy?reflecting both his deep study of Zen Buddhism and his thorough analysis of Western philosophy?and established its author as the foremost Japanese philosopher of this century. In this important new translation, two scholars?one Japanese and one American?have worked together to present a lucid and accurate rendition of Nishida's ideas.

"The translators do an admirable job of adhering to the cadence of the original while avoiding unidiomatic, verbatim constructions."?John C. Maraldo, *Philosophy East and West*

"More accurate and critical than the first translation into English of Nishida's earliest book. . . . An important addition to library collections of twentieth-century philosophy, Japanese intellectual history, and contemporary Buddhist thought."?Choice

"A welcome new translation of a work by probably the most original and influential of modern Japanese philosophers."?Hidé Ishiguro, *Times Literary Supplement*

"Undoubtedly the most important work for anyone in the West interested in understanding modern Japanese thought. This work premiered Japanese philosophy as modern but has also shown unusual staying power. In the late twentieth century Japanese thinkers, both religious and secular, insist on its importance and relevance."?William R. La Fleur, University of Pennsylvania

Users Review

From reader reviews:

Keith Barnett:

The book An Inquiry into the Good make one feel enjoy for your spare time. You need to use to make your capable a lot more increase. Book can to become your best friend when you getting pressure or having big problem using your subject. If you can make reading a book An Inquiry into the Good to become your habit, you can get more advantages, like add your capable, increase your knowledge about a number of or all subjects. You can know everything if you like start and read a publication An Inquiry into the Good. Kinds of book are several. It means that, science guide or encyclopedia or others. So , how do you think about this book?

Patrick Myers:

As people who live in typically the modest era should be up-date about what going on or facts even knowledge to make these people keep up with the era and that is always change and move forward. Some of you maybe may update themselves by looking at books. It is a good choice for you personally but the problems coming to you is you don't know what type you should start with. This An Inquiry into the Good is our recommendation to cause you to keep up with the world. Why, because book serves what you want and wish in this era.

Jose Coleman:

Reading a e-book tends to be new life style with this era globalization. With reading through you can get a lot of information that will give you benefit in your life. Using book everyone in this world can easily share their idea. Books can also inspire a lot of people. Many author can inspire their own reader with their story as well as their experience. Not only the storyplot that share in the guides. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors in this world always try to improve their expertise in writing, they also doing some investigation before they write to the book. One of them is this An Inquiry into the Good.

Whitney Ortez:

That book can make you to feel relax. This specific book An Inquiry into the Good was colourful and of course has pictures on there. As we know that book An Inquiry into the Good has many kinds or type. Start from kids until young adults. For example Naruto or Private investigator Conan you can read and think you are the character on there. Therefore not at all of book are usually make you bored, any it makes you feel happy, fun and loosen up. Try to choose the best book for you personally and try to like reading that will.
