The Power of Your Subconscious Mind by Dr. Joseph Murphy

I have seen miracles happen to men and women in all walks of life all over the world. Miracles will happen to you, too-when you begin using the magic power of your subconscious mind. This book is designed to teach you that your habitual thinking and imagery mold, fashion, and create your destiny; for as a man thinketh in his subconscious mind, so is he.

Why is one man sad and another man happy? Why is one man joyous and prosperous and another man poor and miserable? Why is one man fearful and anxious and another full of faith and confidence? Why does one man have a beautiful, luxurious home while another man lives out a meager existence in a slum? Why is one man a great success and another an abject failure? Why is one speaker outstanding and immensely popular and another mediocre and unpopular? Why is one man a genius in his work or profession while the other man toils and moils all his life without doing or accomplishing anything worthwhile? Why is one man healed of a so-called incurable disease and another isn't? Why is it so many good, kind religious people suffer the tortures of the damned in their mind and body? Why is it many immoral and irreligious people succeed and prosper and enjoy radiant health? Why is one woman happily married and her sister very unhappy and frustrated? Is there an answer to these questions in the workings of your conscious and subconscious minds? There most certainly is.

It is for the express purpose of answering and clarifying the above questions and many others of a similar nature that motivated me to write this book.

How to Attract Money by Dr. Joseph Murphy

It is your right to be rich. You are here to lead the abundant life, and to be happy, radiant, and free. You should, therefore, have all the money you need to lead a full, happy, prosperous life.

There is no virtue in poverty; the latter is a mental disease, and it should be abolished from the face of the earth. You are here to grow, expand, and unfold - spiritually, mentally, and materially. You have the inalienable right to fully develop and express yourself along all lines. You should surround yourself with beauty and luxury.

Thought Vibration or the Law of Attraction in the Thought World by William Walker Atkinson

In this New Thought classic, Atkinson looks at the law of attraction in the thought world. He points out the similarities between the law of gravitation and the mental law of attraction. He explains that thought vibrations are as real as those manifesting as light, heat, magnetism and electricity. The difference is in the vibratory rate which also explains the fact that thought vibrations cannot usually be perceived by our 5 senses.

Feeling Is The Secret by Neville

THIS book is concerned with the art of realizing your desire. It gives you an account of the mechanism used in the production of the visible world. It is a small book but not slight. There is a treasure in it, a clearly defined road to the realization of your dreams.

Editorial Review

About the Author

Born in Barbados, West Indies, Neville came to the United States to study drama at the age of seventeen. In 1932 he gave up the theater to devote his attention to his studies in mysticism when he began his lecture career in New York City. After traveling throughout the country, he eventually made his home in Los Angeles where, in the late 1950's, he gave a series of talks on television, and for many years, lectured regularly to capacity audiences at the Wilshire Ebell Theater. Although Neville's career peaked in the late 1950's and early 60's, his message continues to find a place in the hearts of spiritual readers throughout the world today. Neville Goddard was one of the more quietly dramatic and supremely influential teachers in the New Thought field for many years.

Dr. Joseph Murphy was the author of more than 30 books, including The Power of the Subconscious Mind and Secrets of the I Ching.
