C. S. Lewis' Letters to Children From Scribner

C.S. Lewis, beloved author of *The Chronicles of Narnia*, answers fan letters in this sweet collection that shows why he remains one of the best-loved children's authors of all time.

In his life, C.S. Lewis received thousands of letters from young fans who were eager for more knowledge of his bestselling Narnia books and their author. Here are collected many of his responses to those letters, in which he shares his feelings about writing, school, animals, and of course, Narnia. Lewis writes to the children—as he wrote for them—with understanding and respect.

Editorial Review

From School Library Journal

Grade 6 Up A collection of letters to children from C. S. Lewis that will enthrall Narnia lovers. Most children will skip the foreword by Lewis' stepson and the brief sketch of Lewis' childhood (although both are accessible to young readers) and go straight to the letters themselvesa selection arranged chronologically, with some deletions to promote clarity and eliminate repetition. Most of the letters concern Narnia, but there are also touching letters to Lewis' godchild. Some letters offer encouragement and advice to young writers. Often correspondence was carried on with the same children over a number of years, and the letters answer questions that children might still have. Some letters are preceded by explanations in brackets, and there are plenty of explanatory footnotes. Lewis' few theological discussions are not overwhelming and, except for a few instances, are quite clear. The bibliography includes books and other media and is divided into two sections, one of interest to children, the other for advanced readers, parents and teachers. Annette Curtis Klause, Montgomery County Libraries, Md.
