Galimberti: De Perón a Susana, de Montoneros a la CIA (Spanish Edition)

By Marcelo Larraquy

Una historia sobre la que se dijo y se escribió mucho, tal vez demasiado, pero que todavía sigue abierta.

Galimberti es más que un libro. Es el retrato de un personaje inverosímil, que supo como pocos condensar en una vida todas las paradojas de dos épocas aparentemente irreconciliables. Es, asimismo, la oportunidad para reconstruir el relato de las cuatro décadas más intensas que vivió la Argentina del siglo XX, pero esta vez sin medias tintas, prejuicios, silencios ni insinuaciones.

Más que perseguir certezas, Larraquy y Caballero investigaron, hablaron, preguntaron, perforaron muros y desmontaron dogmas con el objetivo elemental de entender. Porque la inefable humanidad de Rodolfo Galimberti, con sus contradicciones, sus virtudes y sus miserias, es una herramienta singular para comprender el tránsito destemplado que recorrieron el país y el peronismo entre las ilusiones revolucionarias setentistas y el pragmatismo neoliberal de los noventa.

«Sin más intenciones que la de escribir nuestro primer libro, engendramos un clásico de la investigación periodística, quizás el primero del siglo XXI, que tomó por sorpresa a muchos, incluidos nosotros mismos.»

Marcelo Larraquy, Roberto Caballero
