## International Relations Theories: Discipline and Diversity From imusti

Bringing together the most influential scholars in the field, *International Relations Theories: Discipline and Diversity* provides unrivalled coverage of international relations theories and arguments. This best-selling text explores the full spectrum of theoretical perspectives and debates, ranging from the historically dominant traditions of realism, liberalism, and Marxism to postcolonialism and green theory. Each chapter is dedicated to a particular theory and features a case study that bridges theory and practice, showing how theory can be used to explain real world political dilemmas. Spotlights on key books and articles encourage readers to go beyond the textbook and explore important works in the field, and new case study questions encourage analytical thinking and help readers understand the value of applying theory to concrete political problems.

## **Editorial Review**

### **Review**

Review from previous edition: "The best single volume comprehensive introduction to international relations theories that is striking as much for its clarity as for its sophistication."

--Amitav Acharya, American University, USA

"Top quality contributors provide diverse, accessible and comprehensive coverage across the spectrum of theoretical perspectives and debates, and make this an invaluable resource for students and teachers alike."

--Cynthia Enloe, Clark University, USA
