Mastering the Najdorf By Julen Arizmendi, Javier Moreno

The Najdorf is the most popular line of the Sicilian Defence for a very good reason: Black can play for a win without taking undue risks. The Najdorf's fundamental soundness has been confirmed in countless top-level games, and in particular by Garry Kasparov's successful use of it throughout his career. White has tried a wide variety of approaches against the Najdorf, including quiet positional lines and the traditional main line with 6 Bg5. Recently the idea of a rapid kingside pawn advance has found favour. The Najdorf's landscape changes rapidly, and this presents its devotees with a complex task: they must not only keep up-to-date with sharp theoretical lines, but must also have a firm grasp of the strategies that underpin the main systems, both old and new. This book lends a helping hand to those who play the Najdorf or wish to take up this complex opening. Two Najdorf experts from Spain present a flexible repertoire for Black, including a wealth of original analysis of the critical variations. They also explain the key ideas behind the Najdorf, focusing on those plans that are most relevant to modern practice.

Julen Arizmendi is a Spanish international master with two grandmaster norms. He is an experienced writer, and part of *Jaque* and *Teoría*'s editorial staff. He represented his country at the 2002 Olympiad. Javier Moreno is a grandmaster from Spain who has worked with Anand and Shirov, and was a member of the Spanish Olympiad team in 2000. He has contributed to the magazines *Jaque* and *Gambito*.

Users Review

From reader reviews:

Jennifer Williams:

What do you think of book? It is just for students because they're still students or this for all people in the world, what the best subject for that? Just you can be answered for that query above. Every person has several personality and hobby for each other. Don't to be pressured someone or something that they don't want do that. You must know how great in addition to important the book Mastering the Najdorf. All type of book would you see on many sources. You can look for the internet options or other social media.

Dorothy Betancourt:

This Mastering the Najdorf are usually reliable for you who want to be a successful person, why. The reason why of this Mastering the Najdorf can be one of many great books you must have is usually giving you more than just simple studying food but feed an individual with information that possibly will shock your before knowledge. This book will be handy, you can bring it just about everywhere and whenever your conditions throughout the e-book and printed versions. Beside that this Mastering the Najdorf forcing you to have an enormous of experience for example rich vocabulary, giving you test of critical thinking that we understand it useful in your day pastime. So , let's have it and revel in reading.

Joel Newsom:

Are you kind of active person, only have 10 or even 15 minute in your moment to upgrading your mind skill or thinking skill actually analytical thinking? Then you are having problem with the book in comparison with can satisfy your limited time to read it because all of this time you only find reserve that need more time to be examine. Mastering the Najdorf can be your answer mainly because it can be read by you who have those short spare time problems.

John Coffin:

In this period of time globalization it is important to someone to receive information. The information will make someone to understand the condition of the world. The condition of the world makes the information easier to share. You can find a lot of personal references to get information example: internet, newspaper, book, and soon. You can observe that now, a lot of publisher in which print many kinds of book. The actual book that recommended to you is Mastering the Najdorf this book consist a lot of the information in the condition of this world now. This kind of book was represented how can the world has grown up. The vocabulary styles that writer require to explain it is easy to understand. Often the writer made some exploration when he makes this book. Honestly, that is why this book suitable all of you.
