### Naked Pictures of Famous People By Jon Stewart

In these nineteen whip-smart essays, Jon Stewart takes on politics, religion, and celebrity with a seethingly irreverent wit, a brilliant sense of timing, and a palate for the absurd -- and these one-of-a-kind forays into his hilarious world will expose you to all its wickedly naked truths.

He's the MTV generation's master of modern humor, a star of film, TV, and the comedy stage. This sultan of savvy serves up a whip-smart, utterly original collection of comic essays in *Naked Pictures of Famous People*. And as of January 11, 1999, you can enjoy the intelligence and self-deprecating charm he brings to contemporary comedy on Comedy Central's "The Daily Show."

In his first book, he translates that unique talent to the page, with humorous forays into a vast array of subjects: fashion, urban life, fast cars, cocktail culture, modern Jewishness, politics, and dating.

A seethingly irreverent wit, Stewart has a genius for language and brilliant timing that makes his up-to-the-minute collection a must-have for humor lovers in search of a Woody Allen for the 90s. ### Editorial Review

#### Amazon.com Review

Sometimes it seems like every standup comedian worth his or her salt just *has* to do the book thing, and you might feel that yet another warmed-over stage routine is the last thing you need taking up valuable bookshelf space. Jon Stewart's book will come as an extremely pleasant surprise. He eschews the standard standup patter and instead gives us 18 short comic essays in a variety of styles that recall the prose work of Woody Allen, only with a few more references to genitals. Stewart proves himself a remarkably nimble humorist with a sharp eye for parody, whether he's writing "A Very Hanson Christmas" or "Adolf Hitler: The Larry King Interview."

HITLER: ...Larry, look, I was a bad guy. No question. I hate that Hitler. The yelling, the finger pointing, I don't know ... I was a very angry guy.

KING: And this ... new Hitler?

HITLER: I get up at seven, have half a melon, do the jumble in the morning paper and then let the day take me where it will.... Me!! The inventor of the Blitzkrieg... When you stop having to control everything it's very freeing.

Stewart is not afraid to flirt with bad taste, in fact, some of the pieces in this collection do for "flirting with bad taste" what Bill Clinton did for "not having sexual relations." But it's wonderful to see an edgy comedian taking on the traditionally cozy genre of the humorous essay, creating work that combines the wit of Robert Benchley with the energy and attitude of the best modern standup. *Naked Pictures of Famous People* proves that Jon Stewart is as comfortable, and accomplished, in front of a word processor as he is in front of an audience. -- *Simon Leake*

#### Review

"Brutally witty...On a par with Woody Allen's *Without Feathers* and Steve Martin's *Cruel Shoes*... *Naked Pictures* reveals a basic truth that's too oftenforgotten by the shock-for-shock's-sake satirists of the South Park era: You've got to be smart to be a smart ass." -- "Entertainment Weekly""Jon Stewart eschews the standard standup patter and instead gives us 18 short comic essays in a variety of styles that recall the prose work of Woody Allen... Stewart proves himself a remarkably nimble humorist with a sharp eye for parody... It's wonderful to see an edgy comedian taking on the traditionally cozy genre of the humorous essay, creating work that combines the wit of Robert Benchley with the energy and attitude of the best modern standup." -- Amazon.com"Terrific night table reading for lovers of intelligent satire... smart... refreshingly offensive... unapologetically un-PC... a gift for just about anyone." -- "Austin Chronicle"

#### About the Author

Jon Stewart has hosted his own critically acclaimed late-night talk show, starred in his own HBO special, *Unleavened*, and played himself on the cult hit *The Larry Sanders Show* Stewart lives in New York City.
