### Poor Richard's Almanack By Benjamin Franklin

Benjamin Franklin's classic book is full of timeless, thought-provoking insights that are as valuable today as they were over two centuries ago. With more than 700 pithy proverbs, Franklin lays out the rules everyone should live by and offers advice on such subjects as money, friendship, marriage, ethics, and human nature. They range from the famous "A penny saved is a penny earned" to the lesser-known but equally practical "When the wine enters, out goes the truth." Other truisms like "Fish and visitors stink after three days" combine sharp wit with wisdom. Paul Volcker's new introduction offers a fascinating perspective on Franklin's beloved work.

### Editorial Review

#### Review

“What could Benjamin Franklin say that would be relevant to today's world? Plenty, it turns out.” ([object Object])

#### From the Inside Flap

Franklin's Autobiography is one of the most famous works in American literature. He started it as a private collection of anecdotes for his son, but soon it was transformed into a work of history, both personal and national, revealing Franklin as the man who, as Herman Melville said, possessed "deep worldly wisdom and polished Italian tact, gleaming under an air of Arcadian unaffectedness.

"From the Hardcover edition.

#### From the Back Cover

Benjamin Franklin's Poor Richard's Almanack was first published in 1733. Facing heavy competition from similar publications, Franklin took the unusual and controversial approach of injecting witty, unexpected entries between standard tables of tides, planetary motion, weather predictions and other facts. In the debut edition, faithfully reproduced here, he included under the heading Principal Kings of Europe, "'Poor Richard, an American Prince, without subjects, his wife being Viceroy over him, born October 23, 1684, age 49.'" The Almanack went on to become the most popular book of it's kind in colonial America and was published annually for the next 25 years. This facsimile offers a unique and entertaining look at 18th century American life and humor.

### Users Review

#### From reader reviews:

##### William Bellard:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book that will improve your knowledge and information. The information you get based on what kind of book you read, if you want attract knowledge just go with education and learning books but if you want experience happy read one along with theme for entertaining for instance comic or novel. The actual Poor Richard's Almanack is kind of book which is giving the reader unforeseen experience.

##### Rebecca Esquivel:

Information is provisions for anyone to get better life, information presently can get by anyone on everywhere. The information can be a understanding or any news even an issue. What people must be consider when those information which is in the former life are challenging to be find than now's taking seriously which one is suitable to believe or which one the actual resource are convinced. If you find the unstable resource then you obtain it as your main information it will have huge disadvantage for you. All of those possibilities will not happen within you if you take Poor Richard's Almanack as the daily resource information.

**Wm Mills:**

Many people spending their period by playing outside having friends, fun activity with family or just watching TV all day every day. You can have new activity to pay your whole day by reading a book. Ugh, ya think reading a book can definitely hard because you have to accept the book everywhere? It alright you can have the e-book, bringing everywhere you want in your Cell phone. Like Poor Richard's Almanack which is obtaining the e-book version. So , why not try out this book? Let's observe.

**Donald Burgess:**

A number of people said that they feel fed up when they reading a book. They are directly felt this when they get a half parts of the book. You can choose the actual book Poor Richard's Almanack to make your own reading is interesting. Your skill of reading ability is developing when you like reading. Try to choose very simple book to make you enjoy to learn it and mingle the feeling about book and looking at especially. It is to be 1st opinion for you to like to available a book and go through it. Beside that the publication Poor Richard's Almanack can to be a newly purchased friend when you're experience alone and confuse with what must you're doing of this time.
