## **Theories of Personality** By Jess Feist, Gregory Feist

The 7th edition of this trusted introduction to personality centers on the premise that personality theories are a reflection of the unique cultural background, family experiences, personalities, and professional training of their originators. The book begins by acquainting students with the meaning of personality and providing them with a solid foundation for understanding the nature of theory, as well as its crucial contributions to science. The chapters that follow present twenty-three major theories: coverage of each theory also encompasses a biographical sketch of each theorist, related research, and applications to real life. The primary focus of this revision was updating the theory chapters to reflect the most recent research.
