Animal Talk: Interspecies Telepathic Communication By Penelope Smith

Three decades ago, Penelope Smith first presented *Animal Talk* and her effective telepathic communication techniques that can dramatically transform your relationships with your animal companions. Rereleased by popular demand, Smith once again shares her insightful wisdom and illuminates topics such as freedom, control, obedience, behavior, and relationships between animals. *Animal Talk* teaches you how to open the door to your animal friends' hearts and minds without resorting to magic tricks or wishful thinking. Every creature can be reached through telepathic communication -- from your tabby cat or cockatiel to the wasps that build nests in the eaves of your home or even the common flea - you just have to be open to the idea, and mind-to-mind communication will be in your grasp.

Editorial Review

Review

"In *Animal Talk*, Penelope Smith delivers a pioneering approach to the field of animal communication and explains the interspecies world of communication insightfully and accurately."

—Dr. Kim Ogden-Avrutik, author of *Ask the Animals*

"A childhood dream and half-faded memory come true!"

—Allen M. Schoen, D.V.M., author of *Kindred Spirits*

"Penelope is making an important contribution to the welfare and understanding of animals, leading to a greater harmony between the human and the other kingdoms."

—Peter Caddy, cofounder of the Findhorn Community in Scotland

About the Author

Communicating with animals telepathically throughout her life, Penelope Smith discovered that animals could be relieved of emotional trauma and other problems through the same counseling techniques that help humans.

Her renowned success results from her educational background; years of training and experience in human counseling; research into animal nutrition, anatomy, behavior, and care; plus her firsthand encounters with thousands of animals. Smith is the world's leading teacher of basic and advanced interspecies telepathic communication, and has helped launch the careers of numerous professional animal communicators.
