**Brood** By Chase Novak

**Two teenagers struggle with a horrific family legacy in the sequel to Chase Novak's novel, *Breed*.**

Thirteen years ago, a radical fertility doctor helped bring Adam and Alice Twisden into the world. The treatment came at a great cost: it turned the twins' parents into barbarous animals and threatens to transform the children, too. As Adam and Alice find themselves on the brink of maturity, they starve themselves in a desperate attempt to stop their bodies from changing. Will they succumb to the same bodily horrors that destroyed their parents?

Their aunt, Cynthia, who has always wanted to be a mother, oversees renovations to the Twisden family's Upper East Side residence--violently torn apart by the children's parents--and struggles to give her niece and nephew the unconditional love and stable home life they never had. Meanwhile, in the world outside, the forces of good and evil collide as a troop of wild teenagers, growing steadily in number, threatens to invade the calm refuge Cynthia is so determined to construct behind the safety of the Twisdens' walls.

As New York City transforms into a battleground, Adam and Alice will have to decide where their loyalties lie. They are determined to lead normal lives--and yet their unnatural urges, which grow ever stronger by the day, can only be stifled for so long...

### Editorial Review

#### Review

"[Novak's] prose sings with joy when he describes the snap of a bone, delights - and disturbs - when he dredges dark humor from the aftermath. Simply put, the people-eaters bring out the best in Chase Novak." *Colin Dwyer, NPR*

"Gruesome and grimly funny" *BookPage*

"Like all good literary horror, a sense of foreboding piggybacks on a layer of strong emotion, and here it's tweaked by the characters' desperate, haunting desire for connections." *Booklist*

"A satirical supernatural thriller . . . Genuine rat-inspired horror." *Publishers Weekly*

"Novak ably combines realism and the supernatural." *Kirkus Reviews*

#### About the Author

**Chase Novak** is the pseudonym for Scott Spencer. Spencer is the author of eleven novels, including *Endless Love*, which has sold over two million copies to date, and the National Book Award finalist *A Ship Made of Paper*. He has written for *Rolling Stone*, the *New York Times*, *The New Yorker*, *GQ*, and *Harper's*. Mulholland Books published his first horror novel *Breed* in September 2012.

### Users Review

#### From reader reviews:

##### Cheryl Fenske:

Do you one among people who can't read enjoyable if the sentence chained inside straightway, hold on guys this kind of aren't like that. This Brood book is readable by means of you who hate the perfect word style. You will find the info here are arrange for enjoyable looking at experience without leaving possibly decrease the knowledge that want to deliver to you. The writer regarding Brood content conveys the idea easily to understand by many people. The printed and e-book are not different in the articles but it just different by means of it. So , do you even now thinking Brood is not loveable to be your top record reading book?

##### John Barrow:

A lot of people always spent all their free time to vacation as well as go to the outside with them family members or their friend. Do you know? Many a lot of people spent they will free time just watching TV, or maybe playing video games all day long. If you would like try to find a new activity that is look different you can read a book. It is really fun for you. If you enjoy the book that you read you can spent 24 hours a day to reading a publication. The book Brood it is extremely good to read. There are a lot of people that recommended this book. These people were enjoying reading this book. In the event you did not have enough space bringing this book you can buy the e-book. You can m0ore easily to read this book through

your smart phone. The price is not too high but this book has high quality.

**Ricky Dotson:**

The reason? Because this Brood is an extraordinary book that the inside of the reserve waiting for you to snap this but latter it will jolt you with the secret this inside. Reading this book close to it was fantastic author who all write the book in such remarkable way makes the content inside easier to understand, entertaining means but still convey the meaning totally. So , it is good for you for not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of advantages than the other book possess such as help improving your expertise and your critical thinking way. So , still want to hold up having that book? If I were being you I will go to the e-book store hurriedly.

**Hoa Gilkey:**

Beside this kind of Brood in your phone, it could give you a way to get closer to the new knowledge or information. The information and the knowledge you might got here is fresh through the oven so don't end up being worry if you feel like an previous people live in narrow small town. It is good thing to have Brood because this book offers for your requirements readable information. Do you at times have book but you do not get what it's exactly about. Oh come on, that will not end up to happen if you have this in the hand. The Enjoyable arrangement here cannot be questionable, like treasuring beautiful island. Use you still want to miss it? Find this book in addition to read it from at this point!
