Case Files Surgery, Third Edition (LANGE Case Files) By Eugene Toy, Terrence Liu, Andre Campbell

Real-life cases for the surgery clerkship and shelf-exam

"Overall, this is a useful book for anyone preparing for the surgical clerkship exam or needing review prior to the USMLE. The information is presented concisely and clearly and the questions at the end of each section reinforce the most important information. The addition of new cases and revision of previous cases make it a worthwhile update. 3 Stars."--*Doody's Review Service*

You need exposure to high-yield cases to excel on the surgery clerkship and the shelf-exam. *Case Files: Surgery* presents 55 real-life cases that illustrate essential concepts in surgery. Each case includes a complete discussion, clinical pearls, references, definitions of key terms, and USMLE-style review questions. With this system, you'll learn in the context of real patients, rather than merely memorize facts.

- 55 high-yield general surgery cases, each with USMLE-style questions
- Clinical pearls highlight key concepts
- Primer on how to approach clinical problems and think like a doctor
- Proven learning system maximizes your shelf-exam scores

Andre R. Campbell, MD is Associate Professor of Clinical Surgery and Endowed Chair of Surgical Education at the UCSF School of Medicine in San Francisco, California.

Users Review

From reader reviews:

Shawn Francis:

Book is actually written, printed, or created for everything. You can learn everything you want by a publication. Book has a different type. As we know that book is important point to bring us around the world. Close to that you can your reading ability was fluently. A publication Case Files Surgery, Third Edition (LANGE Case Files) will make you to always be smarter. You can feel much more confidence if you can know about every thing. But some of you think that will open or reading a book make you bored. It's not make you fun. Why they might be thought like that? Have you in search of best book or suitable book with you?

Waldo Gates:

What do you consider book? It is just for students because they are still students or the item for all people in the world, what best subject for that? Just simply you can be answered for that question above. Every person has various personality and hobby for every single other. Don't to be pushed someone or something that they don't need do that. You must know how great in addition to important the book Case Files Surgery, Third Edition (LANGE Case Files). All type of book can you see on many options. You can look for the internet resources or other social media.

Latashia Bartlett:

Do you have something that you enjoy such as book? The guide lovers usually prefer to select book like comic, brief story and the biggest one is novel. Now, why not attempting Case Files Surgery, Third Edition (LANGE Case Files) that give your pleasure preference will be satisfied by simply reading this book. Reading addiction all over the world can be said as the means for people to know world considerably better then how they react to the world. It can't be claimed constantly that reading routine only for the geeky man

but for all of you who wants to possibly be success person. So , for all you who want to start looking at as your good habit, it is possible to pick Case Files Surgery, Third Edition (LANGE Case Files) become your personal starter.

Daryl Sanders:

Is it you actually who having spare time then spend it whole day through watching television programs or just lying down on the bed? Do you need something new? This Case Files Surgery, Third Edition (LANGE Case Files) can be the response, oh how comes? A book you know. You are therefore out of date, spending your spare time by reading in this brand new era is common not a geek activity. So what these ebooks have than the others?
