### Editorial Review

#### Review

**"As with English, there's a lot more to Persian than meets the eye, or ear. It needs an all-round practitioner to teach the subtleties of this apparently easy but eloquently idiomatic and multidimensional tongue. Saeed Yousef fits the bill: an experienced teacher, a connoisseur of his own and several other languages, and a poet. His book is an essential *vade mecum* for all who have decided to make Persian their own."** *John Perry, Professor of Persian (Emeritus), The University of Chicago, USA*

**"Intermediate Persian: A Grammar and Workbook** is an excellent complement to the core textbook in the classroom. Its structure is methodical, the units are easy to navigate, and the explanations are refreshingly low on jargon. The appendices (in particular the appendix that deals with the language of politeness, and the one on the Tehrani colloquial) are a great addition to an already comprehensive grammar." - Dominic Parviz Brookshaw, Stanford University, USA
