**Introducing Physical Geography** By Alan H. Strahler, Arthur Strahler

Beautifully written and thoroughly revised by one of the foremost geographers in the field, *Introducing Physical Geography*, Fourth Edition, builds upon the decades of success of Strahler geography texts while incorporating coverage of the new developments in the discipline. Includes all new multimedia and pedagogy to bring physical geography to a new audience.

The new fourth edition of *Introducing Physical Geography*, focuses on both content and pedagogy. The text also includes current examples of environmental phenomena, such as Hurricane Isabel and the recent earthquakes in Turkey. The readability of the text has been enhanced with new placements of boxed features and supplementary material.
