Editorial Review

From Publishers Weekly

The clan battles of 16th-century Scotland form the backdrop for this slow-moving romance from Fletcher (Irish Hope, etc.), which starts with a bang but unfolds with formulaic leisure. Moira Maclean, daughter of a clan leader, has grown up in a convent, virtually forgotten by her father until, at 29, she's considered too old for childbearing. Suddenly a battle-weary warrior named Ian Cameron appears with his men, shattering the nighttime peace of the convent. He brings a token from her father, who he claims insisted on his deathbed that Moira marry Ian to prevent a war. Alarmed but obedient, she goes through with the hurried ceremony and its consummation, then is shocked when more men arrive her father, very much alive, and her brothers. Furious that she has wed their enemy, they leave in disgust. Ian departs as well, but returns a few months later to claim his wife. While on their journey to join his clan, she finds that their marriage really did prevent a war but, for reasons unknown, someone is now threatening her life. With its feisty heroine, sensitive hero and numerous sex scenes, this book should satisfy Fletcher's fans, but others may be disturbed by her hero and heroine's anachronistic behavior (Ian's assurances to Moira that he'll always "be there" for her and her relentlessly defiant attitude toward him).

Users Review

From reader reviews:

Henry Jensen:

Why don't make it to become your habit? Right now, try to prepare your time to do the important work, like looking for your favorite reserve and reading a reserve. Beside you can solve your short lived problem; you can add your knowledge by the publication entitled Isle of Lies. Try to face the book Isle of Lies as your good friend. It means that it can to become your friend when you sense alone and beside regarding course make you smarter than ever before. Yeah, it is very fortuned in your case. The book makes you much more confidence because you can know everything by the book. So , we should make new experience as well as knowledge with this book.

Charles Valentine:

The book Isle of Lies make one feel enjoy for your spare time. You should use to make your capable far more increase. Book can to become your best friend when you getting anxiety or having big problem together with your subject. If you can make reading a book Isle of Lies to be your habit, you can get a lot more advantages, like add your capable, increase your knowledge about a number of or all subjects. You may know everything if you like wide open and read a guide Isle of Lies. Kinds of book are a lot of. It means that, science publication or encyclopedia or other folks. So , how do you think about this publication?

Daniel Hanson:

Reading a e-book tends to be new life style with this era globalization. With reading through you can get a

lot of information that could give you benefit in your life. Using book everyone in this world can certainly share their idea. Publications can also inspire a lot of people. Plenty of author can inspire their very own reader with their story or perhaps their experience. Not only situation that share in the textbooks. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors on earth always try to improve their expertise in writing, they also doing some study before they write with their book. One of them is this Isle of Lies.

Karolyn Kaufman:

That book can make you to feel relax. This kind of book Isle of Lies was bright colored and of course has pictures on there. As we know that book Isle of Lies has many kinds or category. Start from kids until young adults. For example Naruto or Private eye Conan you can read and believe you are the character on there. Therefore , not at all of book usually are make you bored, any it makes you feel happy, fun and chill out. Try to choose the best book in your case and try to like reading which.
