Treasure Island Study Guide CD-ROM By Joy Hardin

Story Summary: Jim Hawkins is just a boy trying to do the best he can running an inn with his widowed mother when adventure and danger literally walk through the door. Left with a treasure map and the warning, Beware the one-legged man!" Jim goes in search of treasure with Squire Trelawney, Dr. Livesey, and Captain Smollett. Put under the tutelage of the ship's cook, Long John Silver, Jim learns much of the sea-faring life and gains a great friend. But where treasure is concerned, honor and friendship can be held cheap, and as they near the island, the ship's crew mutinies, and Jim has to decide where his loyalties lay and what it means to be honorable.

Looking for more than activity sheets or a who-did-what series of questions? Want to dig into the essence of the novel? This study guide provides easy-to-use, reproducible lessons on literary terms, comprehension and analysis, critical thinking, related scriptural principles, vocabulary, and activities, plus a complete answer key. Examines issues from a Christian perspective. Excellent for private schools and home study. Also an excellent reference for public school teachers, but biblical references may have to be removed.

This CD-ROM version of the study guide contains an interactive .pdf file in which the student can enter his or her answers and save a copy of the file. No papers piling up! The CD contains the interactive study guide file, a full answer key file, and an instructional ReadMe file. The study guide file also may be printed for handouts. Using the CD, teachers may make student copies of the file for student use or may print out the pages they wish to use for handouts. (Files may not be posted on any website for student retrieval.) PC and Mac compatible. Requires Adobe Acrobat Reader 7.0 or higher (9.0 is recommended). Because many of the questions are short essay questions, student files are not autograded and must be graded with reference to the answer key.
