Editorial Review

Amazon.com Review

The brand name Betty Crocker conjures images of straightforward, time-tested recipes that even novices can follow. *Betty Crocker's Good and Easy Cookbook* keeps to this tradition, offering uncomplicated recipes with clear instructions and color photos. The sheer simplicity of the recipes--350 of them with prep times between 2 and 20 minutes--makes the book a busy cook's dream. Even experienced cooks looking for new ideas for interesting meals to whip up will find plenty to keep them happy--and well fed--here. Traditional favorites like Tuna-Macaroni Casserole and Honey Mustard Ham mingle with such exotic dishes as Sichuan Cashew Chicken, Easy Picadillo, and Wild Rice and Broccoli Timbales. The book abounds in tips on substitutions, cooking times, and recipe shortcuts. Special bonuses include such numerous special features as a "Do-Ahead" section, which features meals that can be stored in the refrigerator or freezer to be popped into the oven anytime, and a chapter called "Super Express Cooking," in which most recipes have prep times of five minutes or less. No matter how busy you are, or what your experience level in the kitchen, *Betty Crocker's Good and Easy Cookbook* will have you cooking delicious meals in no time. --Robin Donovan

From Library Journal

"Easy," yes, but these recipes rely on so many canned and other packaged convenience foods that it's hard to know about the "good." Betty Crocker's New Cookbook (LJ 5/15/96) included lots of fresh ingredients and fresh recipes, so it's disappointing to see canned cream soups, bottled salad dressings, ready-made sauces, and other such items in so many dishes. And some of the "super-express" dishes seem more like ideas than actual recipes (Double Cheese Tortellini calls for three ingredients: canned tomato sauce, packaged tortellini, and Parmesan cheese). There are lots of charts, boxes, and lists, but some are more helpful than others (several, for example, suggest take-out food for dinner as "a recipe shortcut"). Buy for demand.

From the Publisher

With Betty, you can enjoy a real sit-down every night, no matter what your schedule, no matter when you come in the door. It's the book busy people have been asking for, the book they will turn to again and again.

Users Review

From reader reviews:

Timothy Austin:

Nowadays reading books be than want or need but also be a life style. This reading routine give you lot of advantages. The benefits you got of course the knowledge your information inside the book that will improve your knowledge and information. The details you get based on what kind of book you read, if you want drive more knowledge just go with education and learning books but if you want experience happy read one along with theme for entertaining for example comic or novel. The particular Betty Crocker's Good and easy cookbook is kind of publication which is giving the reader capricious experience.

Ruby Chartrand:

The reserve with title Betty Crocker's Good and easy cookbook has a lot of information that you can learn it.

You can get a lot of advantage after read this book. This kind of book exist new knowledge the information that exist in this book represented the condition of the world at this point. That is important to you to find out how the improvement of the world. That book will bring you throughout new era of the globalization. You can read the e-book in your smart phone, so you can read it anywhere you want.

Darryl Payton:

A lot of people always spent their very own free time to vacation or maybe go to the outside with them friends and family or their friend. Did you know? Many a lot of people spent their free time just watching TV, or even playing video games all day long. If you want to try to find a new activity here is look different you can read a new book. It is really fun to suit your needs. If you enjoy the book that you simply read you can spent the entire day to reading a reserve. The book Betty Crocker's Good and easy cookbook it is rather good to read. There are a lot of folks that recommended this book. These folks were enjoying reading this book. If you did not have enough space to deliver this book you can buy the actual e-book. You can more effortlessly to read this book from the smart phone. The price is not too costly but this book offers high quality.

Darren Perez:

Precisely why? Because this Betty Crocker's Good and easy cookbook is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will distress you with the secret it inside. Reading this book beside it was fantastic author who also write the book in such wonderful way makes the content within easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you for not hesitating having this any more or you going to regret it. This book will give you a lot of positive aspects than the other book get such as help improving your ability and your critical thinking technique. So , still want to delay having that book? If I ended up you I will go to the e-book store hurriedly.
