Chogyam Trungpa: His Life and Vision By Fabrice Midal

Chögyam Trungpa is virtually synonymous with the transmission of Tibetan Buddhism to the West. Over the course of his seventeen-year teaching career in North America, Trungpa ushered in a radically new approach to spirituality—both rooted in the ancient wisdom of the buddhadharma and thoroughly situated in the contemporary world. His teachings, grounded in what he called the "Shambhala vision," focused on the development of an enlightened society through the transformation of ordinary, everyday life into sacred activity.

Steering between Western biography and traditional Tibetan hagiography, Fabrice Midal takes you on a soaring journey through Trungpa's life and teachings. Touching on all of the most momentous events, this series of glimpses into Chögyam Trungpa's world provides a rare view on the formation of Trungpa's thought and the remarkable body of teachings and writings that remain as his legacy. Included are accounts of:

- Chögyam Trungpa's education in Tibet under the tutelage of great tantric masters, like Jamgön Kongtrül of Sechen and Khenpo Gangshar
- The founding of landmark centers for Buddhist practice and education, such as the Naropa Institute (now Naropa University), Karmê Chöling, and the Rocky Mountain Dharma Center (now the Shambhala Mountain Center)
- Trungpa's historic meeting with the sixteenth Gyalwa Karmapa in 1974, the first-ever visit of the Karmapa to America
- Behind-the-scenes stories of Trungpa's most treasured writings, including *Meditation in Action*, *Cutting Through Spiritual Materialism*, and *Shambhala: The Sacred Path of the Warrior*
- And much more

Editorial Review

Review

"This is precisely the book about Trungpa Rinpoche that has been needed for a long time. I feel that it is absolutely what Rinpoche would have wanted written about his major accomplishments and teachings. My husband was so brilliant in being able to use many different media to express his teachings. Rinpoche demonstrated that the awakened mind can be expressed in many ways, through various art forms, as well as in all the forms and details of everyday life. His approach made the buddhadharma available to all kinds of people who have different interests in their lives. As well, it is a hallmark of the vajrayana teachings that you fully engage everything in your world. My husband was a master of this, and Fabrice Midal has beautifully captured this quality in his book."—from the Foreword by Diana J. Mukpo
