Introduction to English Linguistics By Ingo Plag, Maria Braun, Sabine Lappe, Mareile Schramm

The book introduces beginning university students to the study of English linguistics, with a strong focus on linguistic analysis and argumentation. Students are familiarized with the necessary methodological tools to obtain relevant data (e.g. corpora, dictionaries, experiments) and learn to systematically analyze their data and to relate their findings to theoretical problems. *Introduction to English Linguistics* concentrates on gaining expertise and analytical skills in the core areas of linguistics (phonology, morphology, syntax, semantics and pragmatics). The final chapter on "Extensions and applications" widens the perspective to other areas of linguistic research, such as historical, socio- and psycholinguistics. Key features covers the core areas of structural linguistics and some applications hands-on approach to linguistic problems and analysis highly accessible through a strongly didactic, reader-friendly orientation.

Editorial Review

Review

"Overall, I find this to be an excellent textbook introducing the linguistic analysis of English. All the terminology and analytical techniques are presented thoroughly, and are applied to a wide range of data from English. I particularly like the fact that examples from the BNC are brought in as additional evidence. Specific issues in the analysis of English are covered, such as the wide range of allomorphs, and it is good to see that the conditioning of these morphs are dealt with as well. The exercises cover the material in each chapter, and extend it to give the student insights into further study. The glossary is comprehensive." Jonathan White in: <http://linguistlist.org/issues/19/19-213.html> "Overall this is a extremely well written and highly useful introductory textbook on linguistics. [...] In short, this is an excellent introduction that can be read with great profit by both instructors and students in linguistics." Parth Bhatt in: The Canadian Journal of Linguistics 3/2008

Users Review

From reader reviews:

James Fletcher:

A lot of people always spent all their free time to vacation or even go to the outside with them family or their friend. Do you know? Many a lot of people spent these people free time just watching TV, as well as playing video games all day long. In order to try to find a new activity that's look different you can read a book. It is really fun for you personally. If you enjoy the book which you read you can spent all day every day to reading a book. The book Introduction to English Linguistics it is very good to read. There are a lot of people that recommended this book. These were enjoying reading this book. In the event you did not have enough space to develop this book you can buy the e-book. You can m0ore simply to read this book out of your smart phone. The price is not too expensive but this book features high quality.

Frank Keating:

People live in this new day time of lifestyle always try to and must have the extra time or they will get large amount of stress from both way of life and work. So , whenever we ask do people have free time, we will say absolutely yes. People is human not really a huge robot. Then we inquire again, what kind of activity do you possess when the spare time coming to an individual of course your answer may unlimited right. Then ever try this one, reading books. It can be your alternative within spending your spare time, the particular book you have read is actually Introduction to English Linguistics.

Shawn Jones:

Reading a book to get new life style in this yr; every people loves to examine a book. When you read a book you can get a large amount of benefit. When you read textbooks, you can improve your knowledge, due to the fact book has a lot of information into it. The information that you will get depend on what forms of book that you have read. In order to get information about your examine, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, such us novel, comics, and soon. The Introduction to English Linguistics will give you a new experience in studying a book.

Hazel Mercado:

In this era which is the greater individual or who has ability to do something more are more treasured than other. Do you want to become one of it? It is just simple method to have that. What you need to do is just spending your time almost no but quite enough to enjoy a look at some books. One of many books in the top list in your reading list is Introduction to English Linguistics.
