Little Women (Penguin Classics) By Louisa May Alcott

One of the best loved books of all time

Lovely Meg, talented Jo, frail Beth, spoiled Amy: these are hard lessons of poverty and of growing up in New England during the Civil War. Through their dreams, plays, pranks, letters, illnesses, and courtships, women of all ages have become a part of this remarkable family and have felt the deep sadness when Meg leaves the circle of sisters to be married at the end of Part I. Part II, chronicles Meg's joys and mishaps as a young wife and mother, Jo's struggle to become a writer, Beth's tragedy, and Amy's artistic pursuits and unexpected romance. Based on Louisa May Alcott's childhood, this lively portrait of nineteenth- century family life possesses a lasting vitality that has endeared it to generations of readers.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Editorial Review

From School Library Journal

Grade 5 Up—Louisa May Alcott's 19th-century classic is the story of the March sisters—Meg, Jo, Amy, and Beth—who live with their beloved Marmee, while their father is away serving as a chaplain during the Civil War. They must make many sacrifices during this time, but they learn that happiness is not dependent on riches, and trouble doesn't last forever. Rebecca Burns's homey, perfectly modulated voice easily moves from one character to another, and her narration for the male characters is credible. The CDs include tracking every three minutes. The companion ebook features automatic start-up, keyword searching, PDF printable format, table of contents, and index. A great choice for classes studying New England family life during the Civil War period—*Kathy Miller, Baldwin Junior High School, Baldwin City, KS*

From Library Journal

How would one describe this latest recording of the classic story from Alcott (Little Men, Audio Reviews, LJ 11/15/96)? The answer must be, clear, competent, and unexciting. Laura Grafton is a precise reader, but her voice lacks expressiveness, and she makes little attempt to vocally differentiate (and/or animate) the characters. The result is an inoffensive and slightly dull rendering. There's nothing wrong; the tapes just won't grab the attention of the casual listener. The producer has made a praiseworthy attempt to reduce costs by having each cassette side carry double text. At \$22.95, this tape set is an excellent value. Unfortunately, this double-track format requires a stereo cassette player with a fully functioning balance control. Most portable cassette players and some car stereo systems do not have this feature. Since, at least anecdotally, a large percentage of recreational audiocassette library borrowers are commuters or exercisers, one should consider whether this format would be used by patrons. Libraries purchasing this format might also consider purchasing (and lending) the associated headphone adaptor plugs. Recommended for libraries with limited audiobook budgets and/or appropriate user populations. AI. Pour-El, Iowa State Univ., Ames

From reader reviews:

Vickie Reed:

What do you think of book? It is just for students since they're still students or it for all people in the world, exactly what the best subject for that? Simply you can be answered for that problem above. Every person has several personality and hobby for each and every other. Don't to be pushed someone or something that they don't wish do that. You must know how great along with important the book Little Women (Penguin Classics). All type of book can you see on many solutions. You can look for the internet solutions or other social media.

Robert Williams:

This book untitled Little Women (Penguin Classics) to be one of several books that best seller in this year, this is because when you read this book you can get a lot of benefit upon it. You will easily to buy this particular book in the book shop or you can order it through online. The publisher of the book sells the e-book too. It makes you quicker to read this book, because you can read this book in your Smart phone. So there is no reason for your requirements to past this e-book from your list.

Stacey Greene:

Precisely why? Because this Little Women (Penguin Classics) is an unordinary book that the inside of the book waiting for you to snap that but latter it will surprise you with the secret it inside. Reading this book beside it was fantastic author who also write the book in such remarkable way makes the content inside easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you for not hesitating having this nowadays or you going to regret it. This phenomenal book will give you a lot of benefits than the other book have got such as help improving your talent and your critical thinking technique. So , still want to hold up having that book? If I ended up you I will go to the book store hurriedly.

Pamela Postma:

Are you kind of hectic person, only have 10 or maybe 15 minute in your morning to upgrading your mind talent or thinking skill actually analytical thinking? Then you are receiving problem with the book in comparison with can satisfy your short period of time to read it because all this time you only find book that need more time to be examine. Little Women (Penguin Classics) can be your answer mainly because it can be read by you who have those short spare time problems.
