### Reloaded (Agent 21) By Chris Ryan

Some authors just write about it. Chris Ryan has been there, done it, and lived to tell the tale. This is the second in the action-thriller Agent 21 series by the real-life SAS hero. In the year since Zak Darke was approached by a shadowy government agency to become Agent 21, his world has changed completely. But there is no time to reflect on this - the undercover operations go on. Zak is sent to a port in west Africa, a known terrorist stronghold, under the guise of working on a charity volunteer project. But charity work could not be further from Zak's real mission - he must sneak onboard an enemy ship, gather information - and then destroy it. Never has Zak's training been more useful: Trust nobody.
