### Burning Nation (Divided We Fall, Book 2) By Trent Reedy

At the end of *Divided We Fall*, Danny Wright's beloved Idaho had been invaded by the federal government, their electricity shut off, their rights suspended. Danny goes into hiding with his friends in order to remain free. But after the state declares itself a Republic, Idaho rises to fight in a second American Civil War, and Danny is right in the center of the action, running guerrilla missions with his fellow soldiers to break the Federal occupation. Yet what at first seems like a straightforward battle against governmental repression quickly grows more complicated, as more states secede, more people die, and Danny discovers the true nature of some of his new allies.

Chilling, powerful, and all too plausible, *Burning Nation* confirms Trent Reedy's place as a provocative new voice in YA fiction.

## Editorial Review

From School Library Journal

Gr 9 Up—In this gritty sequel to *Divided We Fall* (2014), Private Daniel Wright finds himself at the forefront of Idaho's fight for independence from the United States. Following the state's refusal to enforce the Federal Identification Card Act, military occupation ensues, and Wright and his fellow soldiers, overwhelmed and outnumbered, find themselves on the losing side of America's Second Civil War. Surrounded by death and escalating brutality, Danny, conflicted over his sense of duty and his desire to start a peaceful life with his girlfriend JoBell, watches the Idaho he loves descend into savagery. A symbol for the rebellion and the target of federal forces, Danny struggles to maintain his humanity while his enemies will stop at nothing to destroy him and the rebellion. Adrenaline-fueled and gut-wrenching, Reedy's depiction of an America on the brink of governmental collapse feels all-too-plausible in today's complex political climate. Here, readers are given an intense first-person look at the atrocities of war as seen and experienced by Danny, whose growing inner turmoil is understandable in light of the brutality he faces, and it's this gradual change in character that makes Danny more believable. Further pushing the boundaries of realism is Reedy's use of italicized news reports and social media posts in particular that puts the audience in the middle of the action, much like what can be experienced in online coverage today. Frighteningly authentic, Daniel Wright's plight will have readers clamoring for the final installment in this action-packed and thought-provoking trilogy.—Audrey Sumser, Cuyahoga County Public Library, Mayfield, OH

Review

### Praise for the Divided We Fall Trilogy:

"*Divided We Fall* delivers cover-to-cover action, intrigue and suspense, all with a gut-punch of an ending that'll leave you begging for the next installment." -- Brad Thor, *New York Times* bestselling author of *The Last Patriot*

"Powerful and timely! Trent Reedy's chilling tale hits hard as an ambush. Prepare to lose sleep reading what could be your very near future." -- W.E.B. Griffin & William E. Butterworth IV, *New York Times* bestselling authors of *The Last Witness* and *Hazardous Duty*

"Tense, heart-wrenching, and all too believable -- I can't wait to read more!" -- Tamora Pierce, *New York Times* bestselling author of *Battle Magic*

"[A] writer who absolutely must be read. Trent Reedy balances disturbing subject matter with heartfelt insight, and he does it all with great style. Listen closely, because this is an important new voice in YA fiction." -- Jonathan Maberry, *New York Times* bestselling author of *Extinction Machine*, *Rot & Ruin*, and *Fire & Ash*

\* "Reedy tackles pressing issues with prescient clarity and delicate sophistication. His setup is terrifying in its plausibility and made all the more so by Daniel's conflicted everyman nature, with both sides portrayed as sympathetic yet flawed... This cautionary tale screams immediacy and urgency, a page-turner that rapidly moves toward a catastrophic cliffhanger." -- *Publishers Weekly*, starred review

"An all-too-possible pre-dystopia... Strong characters, a fast-paced narrative, and complex questions about what it means to be an American make Reedy's speculative novel a must-read." -- *School Library Journal*

"An action-packed thriller that may well lead readers to further explore the complicated constitutional and political issues it raises." -- *Kirkus Reviews*
