Case Study Analysis & QCA (Statistical Associates "Blue Book" Series Book 1) By G. David Garson

An illustrated graduate-level introduction to case study research, including qualitative comparative analysis (QCA), also known as configurational analysis, and covering information metrics methodology.

NEW IN THE 2016 EDITION

Covers the revolution in case study research associated with qualitative comparative analysis using Boolean pattern matching and also the information metrics approach creating measures of information gain / uncertainty reduction for causal variables and patterns in case research.
Four times the length of the 2013 edition (now 164 pp.)
Traditional topics rewritten, updated, and expanded throughout.
Covers both crisp set and fuzzy set QCA
Covers fsQCA software with worked examples.
Covers information metrics / structured-focused comparison methods.

Unformatted table of contents:
Example datasets6
Overview6
Key Concepts and Terms7
Types of case studies7
Research designs for case study research9
The grounded exploratory design9
Counterfactual comparison design10
Experimental single case research design (SCRD)11
Cross-sectional comparison design11
Longitudinal comparison design12
Dynamic comparison design12
Case selection strategies13
Data collection16
Data collection methods16
Linear or iterative?18
"Thick description"18

Constant comparison22
Case quality control23
Pattern matching24
Overview24
Congruence testing25
Explanation-building25
Terminating data collection25
Process tracing27
Overview27
Controlled observation27
Time series analysis28
Critical incident technique (CIT)28
Meta-analysis29
Overview29
Implementation considerations31
Quantitative meta-analysis of cases33
Example: DOE (2010)35
Configurational (QCA) analysis37
Overview37
Types of QCA42
Coverage vs. consistency42
Dealing with inconsistency and contradictions46
QCA: Limits, criticisms, and assumptions47
fsQCA software49
Crisp set QCA50
Crisp set QCA example 150
Crisp set QCA example 267
Crisp set QCA example 388
Longitudinal pattern matching91
Research design considerations91
Fuzzy-set QCA96
Overview96
Fuzzy set QCA example 197
Fuzzy set QCA example 2109
Internal structural heterogeneity index (ISHI110
Qualitative and Multi-Method Research periodical112
Information metrics / structured-focused comparison113
Data113
Overview113
Entropy, conditional entropy, and uncertainty114
Information metrics example115
Statistical packages for the uncertainty coefficient122
Information metrics complements QCA128
Assumptions of case studies methods131
Frequently Asked Questions131
What are common standards for case studies based dissertations?131
Is Institutional Review Board/Use of Human Subjects approval necessary for case study research?133
Is case study research a social science substitute for scientific

experimentation?133
Aren't case studies unscientific because of researcher bias?133
Aren't case studies unscientific because findings cannot be generalized?135
Is a "case history" the same as a "case study"?135
Are all case studies forms of case study research?135
Is a joint or team approach to case study research preferred over single-investigator research?136
What is a "consortium benchmarking" case study?136
How is case study research related to complexity science?137
What is nVivo?137
What is xSight?138
What is Leximancer?138
What type of sampling is required in QCA?138
How many predictor variables can QCA handle?139
How does calibration work in fsQCA?140
What are "remainders" in QCA?143
How does the QCA algorithm simplify the truth table?144
How is QCA related to cluster analysis?146
How are hierarchical data handled in QCA?147
What support exists for QCA?148
What QCA software is available?149

Editorial Review

Users Review

From reader reviews:

Cory Kyle:

Why don't make it to be your habit? Right now, try to prepare your time to do the important behave, like looking for your favorite e-book and reading a e-book. Beside you can solve your trouble; you can add your knowledge by the guide entitled Case Study Analysis & QCA (Statistical Associates "Blue Book" Series Book 1). Try to make book Case Study Analysis & QCA (Statistical Associates "Blue Book" Series Book 1) as your friend. It means that it can to become your friend when you truly feel alone and beside associated with course make you smarter than ever. Yeah, it is very fortuned to suit your needs. The book makes you more confidence because you can know almost everything by the book. So , let us make new experience as well as knowledge with this book.

Wayne Millican:

Reading a reserve tends to be new life style on this era globalization. With studying you can get a lot of information that could give you benefit in your life. Having book everyone in this world could share their idea. Guides can also inspire a lot of people. Lots of author can inspire their own reader with their story or perhaps their experience. Not only situation that share in the ebooks. But also they write about the information about something that you need instance. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors these days always try to improve their ability in writing, they also doing some investigation before they write with their book. One of them is this Case Study Analysis & QCA (Statistical Associates "Blue Book" Series Book 1).

Betty Epperson:

Does one one of the book lovers? If yes, do you ever feeling doubt when you find yourself in the book store? Attempt to pick one book that you find out the inside because don't determine book by its handle may doesn't work this is difficult job because you are scared that the inside maybe not seeing that fantastic as in the outside appear likes. Maybe you answer is usually Case Study Analysis & QCA (Statistical Associates "Blue Book" Series Book 1) why because the fantastic cover that make you consider concerning the content will not disappoint a person. The inside or content will be fantastic as the outside or even cover. Your reading 6th sense will directly guide you to pick up this book.

Michael Kendig:

Reading a e-book make you to get more knowledge as a result. You can take knowledge and information

from your book. Book is published or printed or highlighted from each source that filled update of news. In this particular modern era like at this point, many ways to get information are available for an individual. From media social similar to newspaper, magazines, science book, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Are you ready to spend your spare time to spread out your book? Or just seeking the Case Study Analysis & QCA (Statistical Associates "Blue Book" Series Book 1) when you essential it?
