Handel's Operas, 2 Volume Set: Volume I: 1704-1726; Volume II: 1726-1741

By Winton Dean, John Merrill Knapp

This specially priced two volume set includes a reissue of the first volume, covering Handel's operatic works from 1704-1726 and originally published by Oxford University Press in 1995, and Winton Dean's acclaimed second volume (1726-1741), which first appeared in 2006. These volumes contributed to the revival of interest in these long-neglected works and are essential reading for anyone interested in Handel or the development of the opera as an art form.

Editorial Review

Review

From reviews of Volume One: One of the great monuments of musical scholarship of our day - a mine of information lucidly delved, sharply stimulating...a pleasure to read for its crisply expressed, infinitely discerning and above all loving responses to the works themselves. --Financial Times

From reviews of Volume Two: No one writes better on Handel. No one has so sure a hotline to the whole range of his characters, in their strengths and weaknesses (and for Dean, the heart of the operas is character)...We are fortunate to have Dean's erudite and enthusiastic advocacy of these splendid works. Handel's Operas provides essential reading for scholars, a warning for directors, information for opera-goers...and a source of great pleasure for anyone interested in 18th century culture. --Musical Times

Users Review

From reader reviews:

Gary Bloomfield:

In this 21st hundred years, people become competitive in every single way. By being competitive at this point, people have to do something to make these individuals survive, being in the middle of typically the crowded place and notice by simply surrounding.
