How English Works: A Linguistic Introduction By Anne Curzan, Michael P. Adams

This accessible introduction to the structure of English, general theories in linguistics, and important issues in sociolinguistics, is the first text written specifically for English and Education majors. This engaging introductory language/linguistics textbook provides more extensive coverage of issues of particular interest to English majors and future English instructors. It invites all students to connect academic linguistics to the everyday use of the English language around them. The book's approach taps students' natural curiosity about the English language. Through exercises and discussion questions about ongoing changes in English, *How English Works* asks students to become active participants in the construction of linguistic knowledge.

Editorial Review

Users Review

From reader reviews:

Jennifer Tomasini:

Information is provisions for anyone to get better life, information presently can get by anyone in everywhere. The information can be a understanding or any news even an issue. What people must be consider when those information which is in the former life are challenging be find than now's taking seriously which one is acceptable to believe or which one the resource are convinced. If you receive the unstable resource then you have it as your main information you will see huge disadvantage for you. All those possibilities will not happen inside you if you take How English Works: A Linguistic Introduction as the daily resource information.

Antonette Schneider:

The reason? Because this How English Works: A Linguistic Introduction is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will shock you with the secret the idea inside. Reading this book beside it was fantastic author who also write the book in such incredible way makes the content interior easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of advantages than the other book include such as help improving your talent and your critical thinking technique. So , still want to delay having that book? If I were you I will go to the publication store hurriedly.

Titus Johnson:

Reading a book to get new life style in this calendar year; every people loves to go through a book. When you examine a book you can get a lot of benefit. When you read books, you can improve your knowledge, simply because book has a lot of information upon it. The information that you will get depend on what forms of book that you have read. If you would like get information about your examine, you can read education books, but if you want to entertain yourself you can read a fiction books, this sort of us novel, comics, along with soon. The How English Works: A Linguistic Introduction offer you a new experience in studying a book.

Jackie Frost:

A lot of guide has printed but it differs. You can get it by web on social media. You can choose the very best book for you, science, comedian, novel, or whatever by simply searching from it. It is called of book How

English Works: A Linguistic Introduction. You can include your knowledge by it. Without departing the printed book, it could possibly add your knowledge and make you happier to read. It is most essential that, you must aware about guide. It can bring you from one destination for a other place.
