Review

"Love this book! Alex is clearly a master author. Rarely do I come across a book that resonates with me on "that" level; a book that just happened to be what I wanted or needed to read at that exact time! She interweaves metaphysical concepts and practices with real life stories and examples. It is this careful and personal crafting that makes this book a true masterpiece. Alex succeeds at making the material quite applicable and relative as she connects to the reader personally. *Lifesigns* is a must read! I give it 10 out of 5 Stars!" - Examiner.com

"Outstanding! A must read for the truly interested in exploring who they are." - Carol Ann Liaros, author of "Intuition Made Easy"

"The greatest mystery is the hidden potential within. Read this book and you'll be a mystery to yourself no longer!" - Henry Reed, PhD, artist, scholar and author of "The Intuitive Heart"

"Wonderful! I love the insights, revelations, stories and exercises." - Cynthia James, minister and author of "Revealing Your Extraordinary Essence"

"One might speculate that, given any question, the answer is within, and when we are ready, we will become receptive to that inner knowing and "recognize" it in some outer circumstance we encounter. When the student is ready, the teacher will appear." - *Venture Inward Magazine*
