Satori in Paris By Jack Kerouac

Kerouac's classic tale of Buddhist Enlightenment, on the road in Paris! In 'Satori in Paris' Jack Kerouac, a footloose American of French-Canadian parentage, voyages to France to seek the origins of his surname! But it is also, perhaps more than any of his other novels, a book about Kerouac's lifelong love affair with Eastern mysticism. While conversing with a cab driver he experiences, all of a sudden, a 'satori' -- the Japanese term for a 'sudden awakening'; the Enlightenment of Zen Buddhism. Or as Kerouac calls it, 'a kick in the eye'!

Editorial Review

About the Author

Jack Kerouac was born in 1922 in Lowell, Massachusetts, the youngest of three children in a French-Canadian family. Having left college, he joined the merchant marines and began the restless wanderings that were to continue for the greater part of his life. His first novel, *The Town and the City*, was published in 1950. *On the Road*, although written in 1951 (in a few hectic days on a scroll of newsprint), was not published until 1957 -- it made him one of the most controversial and best-known writers of his time. Publication of his many other books, among them *The Subterraneans*, *Doctor Sax* and *Desolation Angels*, followed. Jack Kerouac died in St. Petersburg, Florida at the age of forty-seven.

Users Review

From reader reviews:

Evelyn Brown:

The event that you get from *Satori in Paris* may be the more deep you digging the information that hide in the words the more you get serious about reading it. It doesn't mean that this book is hard to know but *Satori in Paris* giving you joy feeling of reading. The article author conveys their point in a number of way that can be understood by means of anyone who read it because the author of this reserve is well-known enough. This kind of book also makes your personal vocabulary increase well. Making it easy to understand then can go along with you, both in printed or e-book style are available. We advise you for having that *Satori in Paris* instantly.

Milton Hill:

Precisely why? Because this *Satori in Paris* is an unordinary book that the inside of the book waiting for you to snap that but latter it will zap you with the secret the idea inside. Reading this book close to it was fantastic author who else write the book in such awesome way makes the content inside easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you for not hesitating having this ever again or you going to regret it. This unique book will give you a lot of positive aspects than the other book have such as help improving your proficiency and your critical thinking technique. So , still want to hesitate having that book? If I had been you I will go to the e-book store hurriedly.

Sheila Davis:

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library or make summary for some publication, they are complained. Just little students that has reading's spirit or real their hobby. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring in addition to can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this *Satori in Paris* can make you sense more interested to read.

Seth Sutherland:

What is your hobby? Have you heard which question when you got pupils? We believe that that concern was given by teacher on their students. Many kinds of hobby, Everybody has different hobby. And you know that little person just like reading or as examining become their hobby. You need to understand that reading is very important along with book as to be the issue. Book is important thing to include you knowledge, except your own teacher or lecturer. You see good news or update concerning something by book. Amount types of books that can you take to be your object. One of them is this Satori in Paris.
