Surrender to a Scoundrel (The American Heiress Series) By Julianne MacLean

No woman can resist him. . .

Lord Martin Langdon takes pride in his scandalous reputation as a scoundrel, and he considers the art of seduction a most rewarding pastime. So when this dashing rakehell learns of a particularly beautiful woman who is "impossible to flirt with," Martin is determined to prove that not even the prim and proper Evelyn Wheaton can resist his charms.

Except one.

Evelyn knows all about the reckless rogue's shocking reputation and she wants nothing to do with him. She may be looking for a husband, but Martin is certainly not a candidate. The smoldering looks he sends her way, however, are a different matter entirely. She suspects there is great passion to be had if she'd throw caution to the wind and surrender to this scoundrel . . . but dare she risk her heart?

And will Martin, who hides a most tormented past, find true love at last?

Editorial Review

From [Booklist](#)

After winning the last two yachting races at Cowes, Lord Martin Langdon is looking forward to adding another trophy to his collection. Then he decides that an affair with the very proper, very wealthy, and recently widowed Evelyn Wheaton is too tempting to resist. He uses all of his seductive skills to melt her icy reserve, and soon realizes that her love is the only prize worth winning. A nicely detailed Victorian setting and fascinating details about yacht racing give this bracing book its refreshingly different twist as MacLean brings her "American Heiress" series to a splendid conclusion. *John Charles*

About the Author

Julianne MacLean fell in love with some of the classic romances—*Jane Eyre*, *Wuthering Heights*, and *Pride and Prejudice*—while completing her degree in English literature. Then she decided that she needed a "real job," but after a brief stint as a government auditor, she realized she just didn't care enough about numbers matching up. So a month before her wedding, she sat down and wrote the first paragraph of a romance. Now fifteen years, a husband, and a daughter later, Julianne is a happy, fulfilled, stay-at-home mom and a devoted romance writer.

Users Review

From reader reviews:

John Buckner:

Reading a guide tends to be new life style in this particular era globalization. With reading you can get a lot of information that could give you benefit in your life. With book everyone in this world may share their idea. Books can also inspire a lot of people. Many author can inspire their very own reader with their story or perhaps their experience. Not only the storyplot that share in the ebooks. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors on earth always try to improve their proficiency in writing, they also doing some study before they write on their book. One of them is this Surrender to a Scoundrel (The American Heiress Series).
