**The Black House** By Patricia Highsmith

**"Highsmith's writing is wicked . . . it puts a spell on you, after which you feel altered, even tainted." ?*Entertainment Weekly***

With Norton's publication of *The Black House*, Patricia Highsmith's entire body of work is now back in print. First published in 1981, this volume is one of Highsmith's most nuanced and psychologically suspenseful works. The stories in *The Black House* mine classic Highsmith terrain as they sketch the lives of suburban dwellers that appear quite normal at first but unravel to reveal their proximity to the macabre. This collection is a perfect example of Highsmith's view of human nature and a fitting capstone to the reintroduction of one of the twentieth century's greatest writers.
