The Bride Wore Black Leather (Nightside Series Book 12) By Simon R. Green

In the secret heart of London, under the cover of endless darkness, is the Nightside. But enter at your own risk. The party animals who live here may be as inhuman as their appetites...

My name is John Taylor. The Nightside is my home, and I've got a brand new full-time job there (in addition to my private eye work) as Walker—the Voice of the Authorities. I'm also marrying the love of my life, Suzie Shooter, the Nightside's most fearsome bounty-hunter. But nothing comes easy here. Not life. Not death. And for certain, not happily-ever-after.

Before I can say "I do," I have one more case to solve as a private eye—and my first assignment as Walker. Both jobs would be a lot easier to accomplish if I weren't on the run, from friends and enemies alike. And if my bride-to-be weren't out to collect the bounty on my head...

Editorial Review

Review

“Green’s superlative twelfth *Nightside* novel ratchets up the stakes for series protagonist John Taylor in an intricate and action-filled plot that seamlessly blends crime and the supernatural...The pace never flags and the sardonic Chandleresque narration is perfectly suited to the *Nightside*’s fantastical mean streets.”—*Publishers Weekly*

“There is still the classic Green breakneck pacing, the quirky character twists, the joys of name-drop references (to his other books and pop-culture icons alike), but they’re accompanied by a wonderful narrative sense of melancholy, as if Green hates parting with John as much as we do.”—*Tulsa Book Review* (online edition)

“Simon R. Green walks us through his most thoroughly developed setting and its vast assortment of strange, devious, and downright weird characters...The *Nightside* may be shuttered for now, but Green never forsakes his darlings for long; readers may expect to see John Taylor, Shotgun Suzie or other denizens of the *Nightside* infiltrate his other works in the future. At the very least, they’ve been given a proper sendoff. Recommended.”—*SF Revu* (online edition)

“*The Bride Wore Black Leather* has everything I expect from a *Nightside* book. Taylor is the Sam Spade for the twenty-first century, willing to stare down an angel, a demon or a god. *Nightside* has the meanest of the mean streets, and John Taylor is right at home there. Sunnyside? Not bloody likely.”—*Fantasy Literature* (online edition)
