**The Fist of God** By Frederick Forsyth

From the bestselling author of *The Day of the Jackal*, international master of intrigue Frederick Forsyth, comes a thriller that brilliantly blends fact with fiction for one of this summer's--or any season's--most explosive reads!

From the behind-the-scenes decision-making of the Allies to the secret meetings of Saddam Hussein's war cabinet, from the brave American fliers running their dangerous missions over Iraq to the heroic young spy planted deep in the heart of Baghdad, Forsyth's incomparable storytelling skill keeps the suspense at a breakneck pace. Somewhere in Baghdad is the mysterious "Jericho," the traitor who is willing--for a price--to reveal what is going on in the high councils of the Iraqi dictator. But Saddam's ultimate weapon has been kept secret even from his most trusted advisers, and the nightmare scenario that haunts General Schwarzkopf and his colleagues is suddenly imminent, unless somehow, the spy can locate that weapon--The Fist of God--in time.

Peopled with vivid characters, brilliantly displaying Forsyth's incomparable, knowledge of intelligence operations and tradecraft, moving back and forth between Washington and London, Baghdad and Kuwait, desert vastnesses and city bazaars, this breathtaking novel is an utterly convincing story of what may actually have happened behind the headlines.

### Editorial Review

From Publishers Weekly

A British agent discovers Saddam Hussein has a secret weapon in this latest thriller from the author of *The Day of the Jackal*.

Copyright 1995 Reed Business Information, Inc.

From Library Journal

In yet another espionage thriller from the best-selling author of *The Fourth Protocol* (Viking, 1984), the good guys are out to prevent Saddam Hussein from using a most powerful weapon.

Copyright 1994 Reed Business Information, Inc.

From [Booklist](#)

Why was Saddam Hussein so confident in the face of U.S. and UN military might? Did he perhaps have a secret weapon to unleash on the armies defending Kuwait? Espionage-master Forsyth (*The Day of the Jackal*) raises such questions in his intriguing new novel, in which Saddam (who appears throughout at meetings of his Cabinet) does not seem to mind if thousands of his people are killed in battle. He's banking on the American and British traditional abhorrence of casualties. British brothers Mike and Terry Martin are experts in spying, and since Mike can easily pass for an Arab, he goes undercover, first into Kuwait, and then, in a particularly bold move, into Baghdad itself. Terry handles the organization of an elaborate mission to find Saddam's secret weapon, dubbed the fist of God. The information about the weapon comes to them from Jericho, a highly connected source in Saddam's inner circle. Meanwhile, a dowdy Viennese bank secretary is wined and dined by an Israeli spy posing as an Arabic student in order to get at her boss' vital information and cash. As usual, Forsyth's research is impeccable; his characters, though thinly drawn (Mike Martin is something of a superman), are winning; his cameos of world leaders such as Bush, Thatcher, Schwarzkopf, Gorbachev, and Saddam himself help put the behind-the-scenes war in context; and Forsyth's ending, despite the obvious coalition victory, still offers a spectacular surprise. *Joe Collins*

### Users Review

**From reader reviews:**

**Frances Hairston:**

What do you ponder on book? It is just for students because they are still students or this for all people in the world, exactly what the best subject for that? Just simply you can be answered for that query above. Every person has diverse personality and hobby for each other. Don't to be obligated someone or something that they don't wish do that. You must know how great as well as important the book *The Fist of God*. All type of book could you see on many options. You can look for the internet methods or other social media.

**Betty Epperson:**

As people who live in the particular modest era should be change about what going on or data even knowledge to make these individuals keep up with the era and that is always change and move ahead. Some of you maybe may update themselves by studying books. It is a good choice for you but the problems coming to anyone is you don't know what type you should start with. This *The Fist of God* is our
