The Synchronicity Key: The Hidden Intelligence Guiding the Universe and You By David Wilcock

Unlock the key to a universal life-force with the companion volume to the *New York Times* bestseller *The Source Field Investigations*

In *The Source Field Investigations*, David Wilcock illuminated an entirely new understanding of our world today. Now, he embarks on an astonishing investigation into what lies beyond—finding proof that everything in our lives is not only connected, but it also influences everything else.

Using history, astrology, and synchronicity theory among other concepts, Wilcock shows that there is hidden architecture within time, guiding individuals and nations through a system of enlightenment Joseph Campbell called the Hero's Journey. Historical events occur in shockingly precise, repeating cycles of time as a result. Once we understand and identify the hidden laws of this seemingly random “synchronicity,” we are left with a remarkable blueprint of how best to lead our lives in this uncertain and confusing world.
