### **Editorial Review**

#### **Review**

"Laurence Whitehead's book *Democratization* is an extraordinarily timely contribution to the literature.... This book is essential reading both for those newly interested in theoretical or empirical questions of democratization and also for those already involved in the debate, but who are still interested in a comprehensive discussion of various aspects of the democratization debate. The breadth of the theoretical discussion as well as of the empirical references makes this an extraordinarily interesting and important read and provides a welcome contribution to the literature on democratization."--*The Latin Americanist*

#### **About the Author**

Laurence Whitehead is an Official Fellow, Nuffield College, University of Oxford.

### **Users Review**

#### **From reader reviews:**

##### **Karen Plum:**
