**Documentary (Whitechapel: Documents of Contemporary Art)** From Brand: The MIT Press

After a long period in eclipse, documentary has undergone a marked revival in recent art. This has been spurred by two phenomena: the exhibition of photographic and video work on political issues at Documenta and numerous biennials; and increasing attention to issues of injustice, violence, and trauma in the war zones of the endemically conflict-ridden twenty-first century. The renewed attention to photography and video in the gallery and museum world has helped make documentary one of the most prominent modes of art-making today. Unsurprisingly, this development has been accompanied by a rich strain of theoretical and historical writing on documentary. This anthology provides a much-needed contextual grounding for documentary art. It explores the roots of documentary in modernism and its critique under postmodernism; surveys current theoretical thinking about documentary; and examines a wide range of work by artists within, around, or against documentary through their own writings and interviews.

Artists surveyed include: Kutlug Ataman, Ursula Biemann, Hasan Elahi, Harun Farocki, Omer Fast, Joan Fontcuberta, Regina José Galindo, David Goldblatt, Craigie Horsfield, Alfredo Jaar, Emily Jacir, Lisa F. Jackson, Philip Jones Griffiths, An-My Le, Renzo Martens, Boris Mikhailov, Daido Moriyama, Walid Raad, Michael Schmidt, Sean Snyder

Writers include: James Agee, Ariella Azoulay, Walter Benjamin, Adam Broomberg, Judith Butler, Oliver Chanarin, Georges Didi-Huberman, John Grierson, David Levi Strauss, Elizabeth McCausland, Carl Plantinga, Jacques Rancière, Martha Rosler, Jean-Paul Sartre, Allan Sekula, W. Eugene Smith, Susan Sontag, Hito Steyerl, Trinh T. Minh-ha
