Saturday Night Live: The Book From Taschen

**Live from New York, it's Saturday Night!
The complete history, on stage and behind the scenes**

On October 11, 1975 at 11:30 p.m., NBC viewers who tuned in to the network's new late night show saw a sketch featuring John Belushi repeating, in a thick foreign accent, nonsensical phrases about wolverines being read to him by head writer Michael O'Donohue. Abruptly, O'Donohue clutched his heart and collapsed onto the floor. Belushi paused, raised his eyebrow, and then did the same. Posing as the stage manager, Chevy Chase entered the set and feigned confusion before breaking character and announcing to the camera: **"Live from New York, it's Saturday Night!"**

In that instant, television, which had long been out of touch with the young and hip, experienced the first seismic tremors of a major paradigm shift. **TV comedy as we know it today owes it all to Saturday Night Live, the show that dared to take risks** (not least the fact that it's *broadcast live*), challenge the censors, and celebrate the work of offbeat writer-performers. Hundreds of gifted and dedicated people have contributed to *Saturday Night Live* over the years, and this book pays homage to their groundbreaking work. The list of esteemed alumni, most of whom were complete unknowns when they debuted on *SNL*, reads like a **Who's Who** of the past 4 decades in comedy: **John Belushi, Dan Aykroyd, Gilda Radner, Chevy Chase, Bill Murray, Al Franken, Eddie Murphy, Martin Short, Billy Crystal, Dana Carvey, Phil Hartman, Chris Farley, Mike Myers, Adam Sandler, Conan O'Brien, Chris Rock, Will Ferrell, Tracy Morgan, Jimmy Fallon, Tina Fey, Amy Poehler, Kristin Wiig, Seth Meyers, Fred Armisen, and Bill Hader**—to name just a few.

Now, as *SNL* celebrates its 40th anniversary, TASCHEN brings you the ultimate tribute to the show. To research this book, editor and author Alison Castle was given not only full access to *SNL*'s archives, but also the rare opportunity to watch the cast and crew at work. She spent the better part of season 39 in the trenches, learning how everything comes together in just six days for the live performance. **Part encyclopedia and part behind-the-scenes tour**, *Saturday Night Live: The Book* covers both the making of the show and its remarkable history.

Features include:

- **Over 2,300 images** from *SNL*'s archives, many **previously unpublished**
- An **illustrated breakdown of the 6-day week** at *SNL* through the years, with an expanded section for the live show
- **Seasons reference guide** with complete cast, host, and musical guest lists
- Exclusive interview with founder and executive producer Lorne Michaels

Users Review

From reader reviews:

Ellen Jones:

Book is definitely written, printed, or descriptive for everything. You can learn everything you want by a e-book. Book has a different type. We all know that that book is important issue to bring us around the world. Alongside that you can your reading expertise was fluently. A publication Saturday Night Live: The Book will make you to end up being smarter. You can feel considerably more confidence if you can know about almost everything. But some of you think in which open or reading some sort of book make you bored. It isn't make you fun. Why they can be thought like that? Have you looking for best book or ideal book with you?

Charles Killough:

What do you think about book? It is just for students as they are still students or the item for all people in the world, the actual best subject for that? Just simply you can be answered for that query above. Every person has distinct personality and hobby for each and every other. Don't to be pushed someone or something that they don't would like do that. You must know how great and important the book Saturday Night Live: The Book. All type of book are you able to see on many methods. You can look for the internet sources or other social media.

Barbara Baker:

What do you with regards to book? It is not important together with you? Or just adding material when you require something to explain what the ones you have problem? How about your spare time? Or are you busy man? If you don't have spare time to do others business, it is make one feel bored faster. And you have spare time? What did you do? Every person has many questions above. The doctor has to answer that question simply because just their can do that will. It said that about publication. Book is familiar in each person. Yes, it is proper. Because start from on jardín de infancia until university need this particular Saturday Night Live: The Book to read.

Theodore Dubose:

With this era which is the greater man or woman or who has ability to do something more are more treasured than other. Do you want to become one among it? It is just simple approach to have that. What you should do is just spending your time not very much but quite enough to get a look at some books. One of many books in the top listing in your reading list is usually Saturday Night Live: The Book. This book that is certainly qualified as The Hungry Hills can get you closer in growing to be precious person. By looking right up and review this publication you can get many advantages.
