SBAs for the Final FRCR is an invaluable guide to the new Single Best Answer (SBA) paper for the Final FRCR examination, providing over 350 SBA-style questions and referenced answers written in the style of the Royal College of Radiologists. Each question is accompanied by a concise yet detailed model answer carrying references and additional notes. The answers also act as a useful reference source for many of the key topics found in the syllabus. Questions are categorised in the same six modules that compose the FRCR 2A: "Cardiothoracic and vascular" "Musculoskeletal and trauma" "Gastro-intestinal" "Genito-urinary, adrenal, obstetrics and gynaecology, breast" "Paediatric" "Central nervous system, head and neck" Written by a group of authors who have recently successfully completed the exams, SBAs for the Final FRCR is an essential revision aid for all candidates undertaking the FRCR Part 2A.

### Editorial Review

#### Review

'The questions are very well worded with no ambiguity and there is a variety of SBA question structures, which again resembles the actual papers. Answers are concise and clearly explained with relevant references provided for further clarification.' Synergy-Imaging and Therapy
