### **Editorial Review**

#### **About the Author**

Bill Holmes is one of the last remaining links to a bygone era. He first learned about gunsmithing more than 50 years ago from a guy who took his "fix-it" wagon all around doing odd jobs. Since then, Bill has designed and constructed innumerable firearms, written seven books and been featured in two videos for Paladin and become one of the country's best-known and most highly respected authorities on home-workshop weapons and firearms laws.
