Editorial Review

From Publishers Weekly

At the start of Liu's first-rate debut, psychically sensitive tourist Dela Reese browses for treasures at Beijing's Dirt Market, where an old woman sells her a riddle box for only one yuan. Surprisingly, when Dela opens the box back in her hotel room, a gorgeous seven-foot-tall warrior appears, bearing 2,000-year-old weapons. The warrior, Hari, has been cursed for two millennia to serve as a slave - bereft of his power to shape-shift into a tiger - to anyone who opens the box. Assassins follow Delilah and Hari from Beijing back home to the U.S., where Dela and Hari soon find themselves in the midst of a war between Chinese crime syndicates. The reappearance of Hari's age-old nemesis, the Magi, who has been searching for Hari since he was imprisoned in the box, jacks up the suspense. The romance between Delilah and Hari tantalizingly builds until it culminates in a sensual love scene. Repetitive references to Hari's great stature fortunately don't detract from the appeal of this striking paranormal romance.

From Booklist

Dela is in the antiques market of Beijing searching for a treasure to add to her collection, but when an old woman sells her a small puzzle box, she could never have guessed just how precious its contents are. When she unlocks the box, a man appears before her, a man drawn from one's wildest dreams and deepest fantasies. A man who wants Dela for his own. But someone else wants him and the box back, and will risk all those she holds dear to obtain them. Liu's debut novel, not unlike the puzzle box, holds a shiny new joy for readers of adventure and paranormal romance. Deeply sensual, a marriage of modern fantasy and ancient mysticism highlighted with a touch of humor, this is the next book fans of Sherrilyn Kenyon or Christine Feehan should read. *Nina Davis*
