Editorial Review

Review

“A Companion to J.R.R. Tolkien is an easy recommendation for any academic institution which offers a course in Tolkien studies, but would also do well on the shelves of an institution specialising in English literature.” (*Reference Reviews*, 1 October 2015)

“I highly recommend this volume and count it as one of the most important works of collected scholarship on Tolkien to date.” (*Journal of Tolkien Research*, 1 October 2015)

From the Back Cover

A Companion to J.R.R. Tolkien is a complete resource for scholars and students of one of the twentieth century’s most successful and influential authors. It provides an in-depth examination of Tolkien’s entire work by a cadre of top scholars. The essays introduce and analyze his life and works, from *The Hobbit*, *The Lord of the Rings*, and *The Silmarillion* to his lesser-known fiction and academic publications. They also explore the role of various themes and influences across his body of work, such as mythmaking, medieval languages, nature, war, religion, and the defeat of evil. The contributors situate Tolkien’s writing within the context of other literary periods and genres and analyze his influence on subsequent generations of fantasy writers. They also discuss the impact of his work on art, film, music, and gaming, from his lifetime to the present. Up-to-date and comprehensive, this survey of Tolkien studies reflects the continuing influence of his work on the literature and society of today.

About the Author

Stuart D. Lee is a member of the English Faculty at the University of Oxford. He is the University’s Reader in E-learning and Digital Libraries, a member of Merton College, and Deputy CIO at the University’s IT Services. He has studied medieval literature and the works of Tolkien for over 30 years. His research focuses on the impact of medieval literature on modern culture, and he lectures in Old English, Tolkien, and the Poetry of the First World War. He is co-author of *Key Concepts in Medieval Literature* (2006) and *The Keys of Middle-earth: Discovering Medieval Literature through the Fiction of J. R. R. Tolkien* (2005).

Users Review

From reader reviews:

Donald Kelley:

In this 21st century, people become competitive in most way. By being competitive right now, people have do something to make these people survives, being in the middle of the actual crowded place and notice simply by surrounding. One thing that at times many people have underestimated that for a while is reading. Sure, by reading a book your ability to survive improve then having chance to remain than other is high. In your case who want to start reading a new book, we give you this A Companion to J. R. R. Tolkien (Blackwell Companions to Literature and Culture) book as beginner and daily reading guide. Why, because this book is more than just a book.

Gloria Smith:

Reading a reserve tends to be new life style on this era globalization. With reading through you can get a lot of information which will give you benefit in your life. Along with book everyone in this world can certainly share their idea. Books can also inspire a lot of people. Plenty of author can inspire all their reader with their story or their experience. Not only the storyplot that share in the guides. But also they write about advantage about something that you need case in point. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors nowadays always try to improve their skill in writing, they also doing some study before they write with their book. One of them is this A Companion to J. R. R. Tolkien (Blackwell Companions to Literature and Culture).

Nancy Garcia:
