Editorial Review

From the Publisher

Welcome to Star Wars: Infinities, the series that asks the question, "What if one thing happened differently from what we saw in the classic films?" The characters are the same, but the adventure is all new! Readers will follow Luke, Han, Leia, C-3P0, and R2-D2 on a journey every bit as action-packed and fantastic as the original trilogy.

Spotlight is a division of ABDO Publishing Group. Grades 6-12. Each Spotlight edition is printed on high-quality paper. We use the original publisher's files to adjust the book's layout so no artwork or text is near the gutter for our reinforced library bindings specifically printed for the library market.
