### John Dies at the End By David Wong

David Wong has updated the Lovecraft tradition and infused it with humor that rather than lessening the horror, increases it dramatically. Every time I set the book down down, I was wary that something really was afoot, that there were creatures I couldn't see, and that because I suspected this, I was next. Engaging, comic, and terrifying.-- **Joe Garden, Features Editor, The Onion**

"Wong is like a mash-up of Douglass Adams and Stephen King... 'page-turner' is an understatement."

--**Don Coscarelli, director, *Phantasm I-V, Bubba Ho-tep***

"That rarest of things--a genuinely scary story."--**David Wellington, author of *Monster Island, Vampire Zero***

"JOHN DIES AT THE END has a cult following for a reason: it's horrific, thought-provoking, and hilarious all at once. This is one of the most entertaining and addictive novels I've ever read."--**Jacob Kier, Publisher, Permutated Press**

**STOP.** You should not have touched this flyer with your bare hands. NO, don't put it down. It's too late. They're watching you. **My name is David Wong.** My best friend is John. Those names are fake. You might want to change yours. You may not want to know about the things you'll read on these pages, about **the sauce**, about **Korrok**, about the invasion, and the future. But it's too late. You touched the book. You're in the game. You're under **the eye**. The only defense is knowledge. You need to read this book, to the end. Even the part with the bratwurst. Why? You just have to trust me.

**The important thing is this:** The drug is called **Soy Sauce** and it gives users a window into another dimension. John and I never had the chance to say no. You still do. I'm sorry to have involved you in this, I really am. But as you read about these terrible events and the very **dark epoch** the world is about to enter as a result, it is crucial you keep one thing in mind: ***None of this was my fault.***

### Editorial Review

From Publishers Weekly

In this reissue of an Internet phenomenon originally slapped between two covers in 2007 by indie Permutus Press, Wong—Cracked.com editor Jason Pargin's alter ego—adroitly spoofs the horror genre while simultaneously offering up a genuinely horrifying story. The terror is rooted in a substance known as soy sauce, a paranormal psychoactive that opens video store clerk Wong's—and his penis-obsessed friend John's—minds to higher levels of consciousness. Or is it just hell seeping into the unnamed Midwestern town where Wong and the others live? Meat monsters, wig-wearing scorpion aberrations and wingless white flies that burrow into human skin threaten to kill Wong and his crew before infesting the rest of the world. A multidimensional plot unfolds as the unlikely heroes drink lots of beer and battle the paradoxes of time and space, as well as the clichés of first-person-shooter video games and fantasy gore films. Sure to please the *Fangoria* set while appealing to a wider audience, the book's smart take on fear manages to tap into readers' existential dread on one page, then have them laughing the next. (Oct.)

Review

Praise for *John Dies at the End*:

"*John Dies at the End*...[is] a case of the author trying to depict actual, soul-sucking lunacy, and succeeding with flying colors." -*Fangoria*

"David Wong is like a mash-up of Douglas Adams and Stephen King . . . 'page-turner' is an understatement."  
--Don Coscarelli, director, *Phantasm I-V* and *Bubba Ho-tep*

"David Wong has managed to write that rarest of things---a genuinely scary story." --David Wellington,  
author of *Monster Island* and *Vampire Zero*

"The rare genre novel that manages to keep its sense of humor strong without ever diminishing the scares."  
--*The Onion AV Club*

"Sure to please the *Fangoria* set while appealing to a wider audience, the book's smart take on fear manages to tap into readers' existential dread on one page, then have them laughing the next." -*Publishers Weekly*

About the Author

David Wong is the pseudonym of Jason Pargin, online humorist, *National Lampoon* contributor, and editor-in-chief of *Cracked.com*.
