**The Sermon on the Mount: The Key to Success in Life** By Emmet Fox

What did Jesus teach? Distilled from years of study and lecture, affirmed by nearly a million readers over the last fifty years, Emmet Fox's answer in *The Sermon on the Mount* is simple. The Bible is a "textbook of metaphysics" and the teachings of Jesus express--without dogma--a practical approach for the development of the soul and for the shaping of our lives into what we really wish them to be. For Fox, Jesus was "no sentimental dreamer, no mere dealer in empty platitudes, but the unflinching realist that only a great mystic can be."

In his most popular work, Emmet Fox shows how to: Understand the true nature of divine wisdom. Tap into the power of prayer. Develop a completely integrated and fully expressed personality. Transform negative attitudes into life-affirming beliefs. Claim our divine right to the full abundance of life.

### Editorial Review

#### Amazon.com Review

*The Sermon on the Mount*--now passing its 65th birthday--remains a vital and provocative introduction to the ideas at the heart of Christian Science. At heart it means to be entirely practical, as the "Science" of the name would indicate. Denying any interest in theology (there is no theology in the Bible, Fox argues), the author instead suggests that what Jesus was after was results: "Jesus explains to us what the nature of God is, and what our own nature is; tells us the meaning of life and of death; shows us why we make mistakes; why we yield to temptation; why we become sick, and impoverished, and old; and, most important of all, he tells us how all these evils may be overcome, and how we may bring health, happiness, and true prosperity into our lives."

And the Spiritual Key? Fox puts it quite simply: "The Truth turns out to be nothing less than the amazing but undeniable fact that the whole outer world--whether it be the physical body, the common things of life, the winds and the rain, the clouds, the earth itself--is amenable to man's thought, and that he has dominion over it when he knows it." --*Doug Thorpe*
